This is an application to extend the time granted for curing the defects.

The facts giving rise to present IA (re-filing) are that the Appellant e-filed the Memo of Appeal on 02.07.2026. The Office after scrutiny of the Memo of Appeal on 17.07.2026, intimated the defects to the Appellant on the same day. The Appellant re-filed the Appeal on 23.09.2026. It is stated in the IA that the Appellant despite best efforts, could not refile the appeal within the stipulated 7 days period due to the time required for preparing the complete set of documents in compliance with procedural requirements. Further, the signatory was also not present in the city thus appeal could not be filed earlier. Hence, there is delay of 61 days in re-filing of the Memo of Appeal, so the same may be condoned.

Heard Ld. Counsel appearing for the Appellant and perused the averments made in the IA as well as Office report.

The Appellant was required to re-file the Memo of Appeal within seven days from the date of intimation of the defects. However, the Appellant re-filed the Memo of Appeal with a delay of 61 days, hence, the case be placed before the Hon'ble Bench with defect for appropriate orders.

List the case before the Hon'ble Bench under the heading 'for admission with defect (fresh case)'.
