EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESSES PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item no. 1.

The Members are aware that pursuant to the successful acquisition of Ebix Inc. and its global subsidiaries, and with a view to more appropriately reflect the transformed business profile, global operations, strategic direction and long-term vision of the Company, as well as to align the corporate identity of the Company with the internationally recognised "Ebix" brand and establish a unified global brand architecture across the group entities, the Board of Directors of the Company, at its meeting held on February 12, 2025, had approved the proposal for change of name of the Company from "Eraaya Lifespaces Limited" to "Ebix Limited", subject to the approval of the shareholders and receipt of requisite statutory and regulatory approvals; however, the said proposal could not be implemented at the relevant time owing to certain procedural and technical constraints, including non-receipt of the requisite majority approval from the shareholders.

Since then, the Company has witnessed significant growth and strategic transformation across domestic and global markets, resulting in substantial expansion in the scale, nature and geographical footprint of its operations, with the Ebix group entities now forming an integral part of the Company's overall business structure and global operations, and accordingly, in view of the aforesaid developments, the Board of Directors considers it appropriate and strategically desirable to change the name of the Company from "Eraaya Lifespaces Limited" to "Ebix Limited", subject to the approval of the Members and receipt of requisite statutory and regulatory approvals, as the proposed name would enable the Company to effectively leverage the global goodwill, market recognition and brand equity associated with the internationally recognised "Ebix" brand while creating a more aligned and unified corporate identity in line with the Company's present business profile, operations and global presence.

Pursuant to the provisions of the Companies Act, 2013 and the rules made thereunder, approval of the Members by way of a Special Resolution is required for effecting the proposed change in the name of the Company and the consequential amendments to the Memorandum of Association and Articles of Association of the Company.

In this regard, the Members may note that in August 2024, Eraaya Lifespaces Limited successfully acquired Ebix Inc., a U.S.-based multinational provider of on-demand software and e-commerce solutions serving the insurance, financial, healthcare, and e-learning sectors, together with its global subsidiaries, through a court-supervised auction process conducted under Chapter 11 proceedings in the United States. Upon completion of the acquisition, Ebix Inc. emerged from bankruptcy as a debt-free entity, continued its operations as a U.S.-domiciled corporation under applicable federal and state laws, and formally became a subsidiary of your Company, retaining its expansive business footprint through a wide network of subsidiaries operating across multiple continents. This landmark acquisition, spearheaded by Eraaya, is firmly aligned with the Company's long-term vision of diversifying into global, technology-enabled platforms and substantially strengthens its position in high-growth verticals such as digital payments, Insurtech, and SaaS-driven enterprise solutions.

The current shareholding structure of Ebix Inc. is as follows:

Name of Shareholders	No. of Equity Shares	Percentage
Eraaya Lifespaces Limited	19,51,600	97.58

During the acquisition process, Melanie Lane Partners Series Fund, LP, Melanie Lane Partners Series One, and Watch Hill Capital LLC (collectively, the "Proposed Allottees") contributed certain financial support for completing the acquisition of Ebix Inc. Accordingly, an aggregate 2.42% equity stake in Ebix Inc. was allotted to them, along with certain associated rights.

Presently, Eraaya Lifespaces Limited holds 97.58% of the equity share capital of Ebix Inc., while the Proposed Allottees collectively hold the remaining 2.42%.

Now, to ensure that Eraaya obtains complete ownership and operational control over Ebix Inc., and with the intent to provide a fair, transparent, and equitable settlement of the financial and contractual obligations owed to the Proposed Allottees, a Share Allotment Agreement dated November 06, 2025, was executed among the Company, the Proposed Allottees, and Ebix Inc. The details of the Proposed Allottee and the number of Equity Shares of the Company proposed to be allotted are set forth in the table below:

Name of existing shareholders of Ebix Inc./ Proposed Allottees	Category of the Proposed Allottee	Number of Equity Shares to be allotted of Eraaya Lifespaces Limited	No. of shares held by the respective allottees in Ebix Inc.

Watch Hill Capital LLC	Non-Promoter	12,10,240	20,742
	Total	28,60,412	48,400

This entitlement has been determined through mutual negotiations between

the parties, and accordingly, specifying an exact swap ratio is not feasible due to fractional considerations. The number of equity shares to be allotted—**16,50,172 shares** to Melanie Lane Partners Series Fund, LP and Melanie Lane Partners Series One, and **12,10,240 shares** to Watch Hill Capital LLC—has been mutually agreed upon by the parties and represents their complete and final entitlement under the Agreement.

determined based on their alignment with the Company's strategic and financial objectives. Accordingly, it was proposed to increase the maximum borrowing limits, in supersession to all previous similar approvals to Rs. 3500 Crores or the aggregate of the paid-up capital, free reserves and securities premium of the Company, whichever is higher and also to create such charges, mortgages and hypothecations, on the movable and immovable properties of the Company, both present and future, and in such manner as the Board may deem fit, to provide security to the lenders in respect of such borrowings.

Pursuant to the provisions of Section 180(1)(c) of the Companies Act, 2013, approval of the Members by way of a Special Resolution is required where the monies proposed to be borrowed by the Company, together with the monies already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in the ordinary course of business), exceed the aggregate of the paid-up share capital, free reserves and securities premium of the Company.

The proposed enhancement in borrowing limits would provide greater financial flexibility to the Company to efficiently meet its business and operational requirements and enable timely access to capital for strategic opportunities and growth initiatives.

The Board recommends the Special Resolution set out at Item No. 10 of the accompanying Notice for approval of the Members of the Company.

None of the Directors, Key Managerial Personnel of the Company and/or their relatives are, in any way, concerned or interested, financially or otherwise, in the said Resolution, except to the extent of their respective shareholding, if any, in the Company.

Item no.11:

The Members may note that pursuant to the provisions of Section 180(1)(a) of the Companies Act, 2013, approval of the Members by way of a Special Resolution is required to enable the Board of Directors to create mortgage, pledge, hypothecation, charge, encumbrance, or otherwise dispose of the assets and/or undertaking(s) of the Company and to undertake such related arrangements, transactions or dealings as may be considered necessary or expedient in connection with the business operations, financing arrangements, other strategic initiatives and overall growth objectives of the Company from time to time.

Considering the dynamic business environment in which the Company operates across multiple business verticals and geographies, the Company continuously evaluates strategic, operational and financial opportunities aimed at enhancing business efficiencies, optimizing asset utilization, enabling value realization and strengthening its long-term growth and funding capabilities. In this regard, the Company may, from time to time, undertake restructuring, monetisation, transfer, lease, assignment or other dealings in relation to certain assets, properties and/or undertaking(s), as may be considered commercially beneficial and in the best interests of the Company.

Further, in the ordinary course of business, the Company may also create security interests over its movable and/or immovable properties and/or undertaking(s), present and/or future, in favour of banks, financial institutions, lenders, trustees, security holders or other persons/entities for securing borrowings, financial assistance or obligations availed by the Company and/or any third party and accordingly, approval of the Members is being sought by way of a Special Resolution under Section 180(1)(a) of the Companies Act, 2013 to authorize the Board of Directors of the Company to undertake the aforesaid actions, provided that the aggregate indebtedness secured by creation of such security

interests over the assets of the Company shall not exceed ₹3,500 Crores (Rupees Three Thousand Five Hundred Crores only).

In the ordinary course of business and for achieving operational efficiencies, integrated business functioning, treasury optimisation, resource utilisation and seamless execution of business operations across the group entities, the Company and its group entities had entered into various operational, financial, commercial and business support transactions with their respective related parties during the financial year 2025-26.

The Audit Committee has confirmed that the aforesaid transactions were entered into in the ordinary course of business and on an arm's length basis.

Item No. 20

In accordance with Section 62(3) of the Companies Act, 2013, the Company is seeking approval through a Special Resolution to facilitate the issuance of loans that can be converted into equity shares at the option of various lenders (promoters, promoter group, related parties or non-promoter entities or banks or non-banking financial company, financial institutions) in the future. This strategic initiative is aimed at strengthening the company's financial capabilities to capitalize on business opportunities and pursue the proposed acquisition. The loans will be sourced from multiple lenders under terms and conditions determined by the Board and outlined in the Loan Agreement. This framework provides lenders with the flexibility to convert all or part of their outstanding loans into fully paid-up equity shares of the company at a price determined at the time of conversion. By adopting this approach, the company aims to strengthen its capital structure while aligning financial interests with its strategic growth objectives.

Pursuant to provisions of Section 62(3) and 180 (1) (c) of the Companies Act, 2013, this resolution requires approval of the members by way of passing of a Special Resolution.

The Board recommends the resolution set forth in Item No. 20 for the approval of the members

Item No. 21

Eraaya Lifespaces Limited ("the Company") being Ultimate Parent Company extends various management support services, administrative and corporate advisory functions, governance support, technical assistance, financial oversight, human resources support, information technology services and other intragroup services to its various subsidiaries, step-down subsidiaries operating under Ebix Inc. or otherwise, whether operating in India or abroad (the Group). These activities are essential for ensuring uniformity of operations, compliance oversight, reporting standards, technology implementation, manpower support and overall strategic alignment across the Group.

These services are being rendered using the Company's resources, including employee time, domain expertise, systems, infrastructure, administrative support and other operating capabilities. Under applicable transfer pricing and corporate governance standards, and in view of the utilisation of the Company's resources for the benefit of the Group Entities, the Company is obligated and eligible to recover appropriate charges for such intragroup services.

To ensure transparency, fairness, and compliance with applicable regulatory requirements, the Board proposes that the Company be authorised to recover from its subsidiaries, step-down subsidiaries operating under Ebix Inc. or otherwise, (whether operating in India or abroad), all operating and administrative costs, management support services, administrative and corporate advisory functions, technical or operational consultancy, strategic direction, financial oversight, human resources support, IT and system management, and any other services attributable to the intragroup services rendered by the Ultimate Parent Company, subject to limit which shall not exceed 5% (five percent) or such other percentage, as may be mutually agreed or permitted under the applicable laws, of the annual turnover of the respective subsidiary for that financial year, and that such charges or additional service fee, shall be levied in accordance with applicable transfer pricing regulations, arm's-length principles.

Accordingly, the Company proposes to levy and recover from various subsidiaries, step-down subsidiaries operating under Ebix Inc. or otherwise, whether operating in India or abroad, all relevant management support and intragroup service charges based on the operating expenses incurred by the Ultimate Parent Company that are directly or indirectly attributable to such services, along with an appropriate arm's-length markup, as required under Indian transfer pricing regulations.

Approval of the Members is hereby required for the Item no. 21 and accordingly your Board of Directors recommends the passing of this resolution as an Ordinary Resolution.

The Members may further note that a similar proposal had earlier been placed before the shareholders and requisite approval was obtained; however, considering the evolving scale of operations, expanded global business structure and in furtherance of enhanced transparency, regulatory alignment and good corporate governance practices, the present proposal is being placed again before the Members for their approval in respect of such intragroup service arrangements.
