**Independent Auditor's Limited Review Report on Unaudited Standalone Financial Results of the Company for the quarter ended 30<sup>th</sup> June 2026 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)**

**To the Board of Directors of Indag Rubber Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results ('the Statement') of Indag Rubber Limited ('the Company') for the quarter ended 30<sup>th</sup> June 2026, being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India ('the SEBI') (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('the Listing Regulations') including relevant circulars issued by the SEBI from time to time.
2. This Statement, which is the responsibility of the Company's Management and approved by Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act') and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 '*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*', issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in aforesaid Ind AS, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**5. Emphasis of Matter**

We draw attention to Foot Note 6 to the financial results for the quarter ended 30<sup>th</sup> June 2026 relating to the valuation of Company's investment in Oil exploration Company in Nigeria. The fair value of the investment as on 30<sup>th</sup> June 2026 has been internally assessed by the Management and is subject to various assumptions as explained in the Foot Note 6.

Our conclusion is not modified in respect of this matter.

2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act') and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 '*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*', issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

**Notes:-**

- 1 The above unaudited financial results for the quarter ended 30th June 2026 were reviewed by the Audit Committee and approved by the Board of Directors in the meeting held on 13th August, 2026, in accordance with requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.
- 2 These financial results have been prepared in accordance with the recognition and measurement principles of applicable Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 under section 133 of the Companies Act, 2013.
- 3 The consolidated financial results of the Company and its subsidiary (the 'Group') have been prepared as per Ind AS 110 "Consolidated Financial Statements" as notified by the Ministry of Corporate Affairs.
- 4 The figures of the quarter ended 31st March 2026 are the balancing figures between audited figures for the year ended 31st March, 2026 and the unaudited published year-to-date figures up to 31st December 2025 which were subjected to limited review.
- 5 As the company has only one operating segment, disclosure under Ind AS 108 "Operating Segments" is not applicable in the case of Standalone Financial Results. In the case of Consolidated Financial Results, the activities of the subsidiary company (i.e. business of manufacturing of power conversion system (PCS) for battery energy storage system (BESS) and power electronics and electronics in the green energy sector) constitutes a different segment.
- 6 The fair value of Company's investment in Compulsorily Convertible Cumulative Preference Shares of a foreign company has been determined at Rs. 1,255.52 lakhs as at 30th June 2026 (Rs. 1,319.50 lakhs as at 31st March 2026, based on a valuation carried out by an independent registered valuer). The valuation as at 30th June 2026 has been carried out internally by the management, adopting the valuation methodology (a combination of the Net Asset Value and Discounted Cash Flow methods) and key assumptions applied by the independent registered valuer in the valuation as at 31st March 2026, after considering relevant changes in facts and circumstances. The investee company, through its underlying interests, holds oil and gas exploration rights in Nigeria. The fair value of the investment is subject to significant estimation uncertainty, including assumptions relating to the recommencement of production, future crude oil and gas prices, renewal of lease rights, operating and development costs, and the prevailing regulatory environment in Nigeria. Management believes that the carrying value is appropriate; however, actual outcomes may differ from the assumptions considered for valuation purposes.
- 7 The figures for the previous periods have been regrouped/reclassified wherever necessary, to confirm to the current periods presentation.
