SUB: Sakar receives 14 oncology product new approvals in the EU (Europe), UK & Canada with 7 business partners

Dear All,

Sakar Healthcare Ltd. continues to make steady progress in its strategic initiatives, reflecting strong business momentum and positioning the company for sustained long-term growth. In this advancement:

- Accord has been the front runner partner with another **5 products** site variations to Sakar's manufacturing site approved by EMA- taking the count to total 6 of 8 technology transfer they initiated
- Other 2 partners located in the UK and 1 in Germany have also successfully received approval of their **3 products** from MHRA and EMA
- Additionally **6 of Sakar's licensed out products** have been granted Marketing Authorizations of which 4 are in the EU, 1 each in the UK and Canada
- These approvals have significantly enhanced the coverage to treating various cancer types including breast, lung, prostate, stomach, head & neck, colon & rectum, ovary, liver, kidney, thyroid, blood, bone-marrow and lymph

With this noticeable progress in the regulated markets of the EU, UK & Canada, Sakar is well set to strengthen its position leveraging both the business models to gear up top-line sales.

We do appreciate your encouragement, support and guidance during this formative phase.

Thank you.

Yours faithfully,
FOR, SAKAR HEALTHCARE LIMITED
