**Subject: Clarification on delay in disclosure under Regulation 30 of SEBI (LODR) Regulations, 2015**

**Ref: BSE email dated August 11, 2026**

Dear Sir/Madam,

This has reference to your email dated August 11, 2026 seeking clarification regarding the disclosure filed by the Company on August 10, 2026 under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In this regard, we respectfully submit that the matter pertained to an inquiry initiated by the Special Intelligence & Investigation Branch, Customs, Indore under Section 108 of the Customs Act, 1962 concerning imports undertaken by the Company under the India-UAE CEPA. As disclosed by the Company, no show cause notice, demand order, adjudication order or penalty order had been issued by the Customs Department in relation to such inquiry.

The Company received the Summons under Section 108 of the Customs Act, 1962 on July 24, 2026 (Summons dated July 23, 2026). Upon receipt of the summons and during the course of the inquiry, the Company undertook a detailed internal review of the matter, including examination of the underlying facts, financial implications, supporting documents and legal position. The matter involved multiple import consignments across two ports, and required verification and reconciliation of records — including a correction required in respect of one consignment — before the Company could arrive at an accurate and complete assessment of the particulars required for disclosure under Regulation 30 of the SEBI Listing Regulations. This reconciliation was completed on July 29, 2026, following which the aggregate quantum of Rs. 20,64,17,893/- voluntarily paid by the Company was finally ascertained.

The Company was concurrently in discussions with the overseas supplier of the imported goods, seeking recovery of the amount involved. Pursuant to these discussions, the Company formalised its position by issuing a debit note to the supplier on August 10, 2026. The Company's overall assessment of the matter for the purposes of disclosure under Regulation 30 — including the financial particulars and the recovery action initiated against the supplier — was finalised on that date, and the disclosure was made accordingly on August 10, 2026.

The Company acknowledges that the disclosure exceeded the 24-hour timeline prescribed under Regulation 30 read with SEBI Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024. The delay was neither deliberate nor attributable to any intent to withhold material information from the market, and was occasioned by the time required to ascertain and finalise the complete facts and financial particulars necessary for an accurate and complete disclosure across multiple consignments and locations.

The Company remains committed to the highest standards of corporate governance, transparency and regulatory compliance, and shall put in place appropriate internal escalation processes to ensure timely disclosures in accordance with the applicable provisions of the SEBI Listing Regulations, including making an initial disclosure of a material event within the prescribed timeline, with further particulars to follow by way of supplementary disclosure as they are ascertained.

We request you to kindly take the above clarification on record and oblige.

Thanking you,

Yours faithfully,

**For Manorama Industries Limited**
