Oil India Limited Signs MoU with CSIR for Collaborative Research and Technology Development

Oil India Limited (OIL), a Maharatna CPSE under the aegis of Ministry of Petroleum & Natural Gas, has entered into a Memorandum of Understanding (MoU) on 15.06.2026 with the Council of Scientific and Industrial Research (CSIR) to foster collaborative research, innovation, and technology development in the energy sector at OIL House, Noida. The MoU was signed by CMD, OIL and Director General, CSIR in the presence of MD, NRL , other Directors of OIL and senior officials of both the organisations. The MoU aims to leverage the strengths of both the organizations in advancing cutting-edge technologies and providing innovative solutions in the areas of upstream and downstream oil and gas operations, hydrocarbon reservoir optimisation, enhanced oil recovery (EOR), renewable energy, sustainable energy practices and critical minerals. The collaboration will facilitate the development of efficient and cost-effective solutions, focussing on operational efficiency.

The MoU underscores OIL's commitment to strengthening its technological capabilities through strategic collaborations with premier research institutions of the country. This marks a significant step towards promoting innovation-driven growth and supporting the nation's energy security objectives.
