ORDER

Present: Mr. M. Hari Vastav, Ld. Counsel for the Applicant.

This appeal has been moved under Rule 63 read with Rule 11 of the NCLT Rules, 2016.

I have gone through the entire record. It is revealed that IA No. 1441 of 2025 was dismissed as infructuous and the applicant wants to restore this application by filing an application which is under objection with the Registry.

I think that there is no actual defect which may come in the way of filing this application for restoring the IA No. 1441 of 2025. Accordingly, this application is allowed and the Registry is directed to list the matter if it is otherwise in order.
