AVG Logistics Secures Long Term Transportation Contract from a Multinational Beverage Company

New Delhi, November 03, 2026: – AVG Logistics Limited, (BSE – 543910, NSE – AVG), AVG Logistics Limited, a leading multimodal logistics solutions provider, is pleased to announce that it has secured a five-year long-term transportation contract from a multinational beverage Company for the deployment of vehicles to cater to the transportation requirements of the Company. This contract marks a significant milestone in the Company's growth journey and reinforces its capabilities in delivering reliable, efficient and technology-enabled logistics solutions for leading corporate clients.

AVG has built its extensive experience in providing integrated logistics and transportation services across diverse industry segments and continues to expand its service offerings into specialized beverage logistics. Under this contract, the Company expects to generate revenue of approximately Rs. 60 Crore over the five-year period, further strengthening its long-term revenue visibility and business prospects.

The Company will leverage its established transportation network, fleet management capabilities and technology-driven operational infrastructure to ensure seamless and efficient movement of beverage products. The service offerings will focus on dedicated vehicle deployment, GPS-enabled fleet tracking and real-time shipment visibility, trained drivers, timely deliveries and efficient transportation management, with a strong emphasis on operational reliability and product integrity.

With the growing demand for specialized and technology-driven transportation solutions, AVG Logistics remains focused on leveraging its operational strengths to tap emerging opportunities, expand its customer base and drive sustainable growth and improved operational efficiencies over the medium to long term.

Mr. Sanjay Gupta Managing Director, AVG Logistics Limited said**,** "Winning this prestigious contract is a significant milestone for us and reflects the trust of global organizations place in our operational capabilities and service excellence. We are confident that this partnership will strengthen our business growth, enhance our market presence and open new avenues for long-term value creation."
