Earnings Release

Enviro Infra Reports Strong Revenue Growth in Q1 FY27

Q1 FY27 Revenue grows 49.1% YoY to ₹ 3,592 Mn; PAT rises 6.5% YoY to ₹ 452 Mn

Healthy and diversified order book across Water & Wastewater, Renewable Energy and O&M businesses provides strong execution visibility

Company evolving into integrated engineering player

New Delhi, 11th August 2026: Enviro Infra Engineers Limited, a leading infrastructure Company specializing in the design, construction, operation, and maintenance of Water and Wastewater Treatment Plants (WWTPs) and Water Supply Scheme Projects (WSSPs) for government authorities across India and rapidly scaling its presence across renewable energy and battery storage infrastructure, today announced its unaudited consolidated financial results for the quarter ended June 30, 2026.

Consolidated Key Financial Highlights:

Particulars (₹ Mn)	Q1 FY27	Q1 FY26	YoY	Q4 FY26	QoQ
Revenue from Operations	**3,592**	**2,409**	49.09%	**4,273**	(15.94)%
EBIDTA*	**757**	**642**	17.87%	**799**	(5.29)%
EBITDA Margin (%)	**21.07%**	**26.65%**	(558) Bps	**18.70%**	237 Bps
PAT	**452**	**425**	6.47%	**543**	(16.76)%
PAT Margin (%)	**12.38%**	**17.05%**	(466) Bps	**12.37%**	2 Bps

Excluding other income

For the quarter ended, June 30th, 2026 (Q1 FY27):

- Revenue from Operations stood at ₹ 3,592 million, marking a 49.09% YoY growth over Q1FY27, driven by steady execution of the order book.
- EBITDA for the quarter stood at ₹ 757 million, with an EBITDA margin of 21.07%.
- PAT for the quarter stood at ₹ 452 million, with a PAT margin of 12.38%.
- Order book stood at ₹ 67,208 million, providing strong revenue visibility for FY27.

Key Business Developments & Diversification

- Awarded two HAM projects aggregating ₹2,569 million by Uttar Pradesh Jal Nigam (Rural) under the Namami Gange Programme — ₹1,301 million for a 60 MLD STP at Lohta and ₹1,268 million for a 45 MLD STP at Pt. Deen Dayal Upadhyay Nagar, Varanasi, to be executed through wholly owned SPVs.
- Secured a ₹ 1,135 million EPC and Operation & Maintenance (O&M) project from Sardar Sarovar Narmada Nigam Limited for water infrastructure development in Gujarat.
- Company strengthened its renewable energy portfolio through its step-down subsidiary, Suyog Urja Limited, which secured a ₹ 2,075 million contract from CGE 30 Hybrid Energy Private Limited for land aggregation and Balance of Plant (BoP) work for a hybrid renewable energy project, scheduled for completion by June 30, 2027.

Order Book:

Order book stood at over ₹67,208 million, comprising a Water & Wastewater Treatment execution order book of over ₹26,962 million, a Renewable Energy order book of over ₹29,080 million, and an O&M order book of over ₹11,166 million.

Commenting on the overall performance of the Company, Mr. Sanjay Jain, Chairman, Enviro Infra Engineers Limited, said:

"Q1 FY27 reflects our continued focus on strengthening our position in the water and wastewater infrastructure sector while expanding our presence across renewable energy and environmental infrastructure.

During the quarter, we maintained steady execution across our core water infrastructure business while further strengthening our renewable energy platform across solar, wind and Battery Energy Storage Systems (BESS). Our diversified order book across water infrastructure, renewable energy and battery storage continues to provide strong revenue visibility and supports our long-term growth strategy.

A key highlight during the quarter was the award of two Hybrid Annuity Model (HAM) projects worth ₹ 2569 million in Varanasi under the Namami Gange Programme, further expanding our HAM project portfolio and reinforcing our position in India's wastewater infrastructure. These developments strengthen our execution capabilities across both our core business and our renewable energy platform.

With increasing investments in water security, renewable energy and sustainable infrastructure across India, Enviro Infra Engineers remains well positioned to capitalize on long-term growth opportunities and deliver sustainable value creation for all our stakeholders."

About Enviro Infra Engineers Limited:

Enviro Infra Engineers Limited, incorporated in 2009 and headquartered in New Delhi, is an infrastructure company specializing in the design, construction, operation and maintenance of Water and Wastewater Treatment Plants (WWTPs) and Water Supply Scheme Projects (WSSPs) for government authorities across India. The Company's expertise spans Sewage Treatment Plants (STPs), Sewerage Schemes (SS), Common Effluent Treatment Plants (CETPs), Water Treatment Plants (WTPs), pumping stations and water supply pipelines, supported by advanced treatment technologies, including Zero Liquid Discharge (ZLD) solutions.

Building on its strong foundation in water and wastewater infrastructure, the Company has diversified into renewable energy through its subsidiary, EIE Renewables, with capabilities across solar, wind and Battery Energy Storage Systems (BESS), further strengthening its presence in sustainable infrastructure.

Backed by an experienced in-house engineering team and strategic joint venture partnerships, Enviro Infra Engineers delivers complex infrastructure projects while adhering to the highest quality, environmental and regulatory standards. The Company's projects are supported by key government initiatives, including the Atal Mission for Rejuvenation and Urban Transformation (AMRUT), the National Mission for Clean Ganga (NMCG) and the Jal Jeevan Mission (JJM), reinforcing its commitment to strengthening India's water and environmental infrastructure.
