**Sri Sri Iswar Damodar Jew Thakur
represented by Binapani Chakraborty & Anr.
Vs.
West Bengal State Electricity
Distribution Company Limited & Ors.**

Mr. Debabrata Roy,
Mr. Soumik Mondal

...for the Appellant

Mr. Debanjan Mukherjee

...for the WBSEDCL

1. We are informed by the learned advocate, Mr. Soumik Mondal, that there is no instruction from the client.
2. It is pointed out by the learned advocate for the respondents from the order of the Hon'ble Single Judge that the Court merely directed the District Magistrate to conclude the proceeding arising out of alleged erection of transformer on the subject premises.
3. Since, there is no instruction as regards development in this regard and the order of the Court is dated 23.05.2022, pendency of the appeal would be futile and serve no useful purpose.
4. The appeal is dismissed.
