Media Release

East India Drums and Barrels Manufacturing Limited Reports

14.95% Growth in Q2 FY27 Net Profit

Business Highlights:

- **Robust Order Book and Revenue Visibility:** The Company continues to engage with leading public sector undertakings (PSUs), government organisations and institutional customers, supporting a healthy order pipeline and strong revenue visibility.
- **Significant Order Wins from HPCL:** The Company secured major orders from Hindustan Petroleum Corporation Limited (HPCL), including a Letter of Acceptance aggregating approximately ₹83.71 crore and an additional order valued at approximately ₹8.97 crore, further strengthening its order book.
- **Established PSU and Institutional Relationships:** The Company maintains long-standing associations with leading oil and petroleum companies, including Indian Oil Corporation Limited (IOCL), HPCL and Bharat Petroleum Corporation Limited (BPCL), as well as customers across the government and defence sectors.
- **Expanding International Footprint:** On September 28, 2026, the Company incorporated EIDB Ceylon Private Limited in Sri Lanka as a wholly owned subsidiary. This marks a strategic step towards expanding its global presence and exploring business opportunities in overseas markets.
- **Strong Manufacturing and Operational Capabilities:** The Company's manufacturing facilities at Daman, Sonipat and Karjat are backed by robust production infrastructure, deep operational expertise and well-established quality management systems.
- **Commitment to Sustainable Growth:** The Company remains focused on strengthening its order book, enhancing capacity utilisation and improving operational efficiencies, while expanding its presence across the industrial, oil and lubricant, chemical and allied sectors.

Strengthening Manufacturing Capabilities

East India Drums and Barrels Manufacturing Limited is engaged in the manufacturing and supply of steel drums and barrels and allied products for diverse industrial requirements. Its products serve sectors including oil and lubricants, chemicals, industrial products and other industries that need reliable bulk packaging solutions.

The Company operates manufacturing facilities at Daman, Sonipat and Karjat, supported by established production infrastructure and quality management systems. These facilities are certified under ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018, reflecting the Company's commitment to quality, environmental management, and occupational health and safety.

Focused on Growth and Operational Efficiency

The Company remains focused on strengthening its presence across the industrial and institutional packaging markets while continuing to expand its customer base. Backed by an established manufacturing network, long-standing relationships with leading PSUs and a growing order pipeline, it is working to improve capacity utilisation and operational efficiency.

Going forward, the Company intends to leverage its manufacturing capabilities and customer relationships to pursue new opportunities across the oil and lubricant, chemical, industrial and other sectors where steel drums and barrels are widely used.

Management Commentary

Speaking on the Company's performance and future outlook, Mr. Madhav Valia, Managing Director, East India Drums and Barrels Manufacturing Limited, said:

"We have started FY27 with a clear focus on strengthening our core manufacturing operations, improving operational efficiencies and expanding our presence across institutional and industrial markets. The recent HPCL order of approximately ₹83.71 crore, along with orders from IOCL and other institutional customers, provides encouraging visibility for our business.

We remain focused on strengthening our order book, improving capacity utilisation and delivering consistent operational performance. With our established customer relationships and manufacturing capabilities, we are confident of building sustainable growth and creating long-term value for our stakeholders."

The Company remains committed to strengthening its position in the industrial packaging segment through order-book expansion, operational efficiency, quality improvement and customer-focused execution.

About East India Drums and Barrels Manufacturing Limited

Your Trusted Packaging Partner Since 2013.

Established in 2013, East India Drums and Barrels Manufacturing Limited is a leading manufacturer of industrial drums, barrels and comprehensive industrial packaging solutions in India. The Company operates manufacturing facilities at Daman, Sonipat and Karjat, with a strong focus on quality, innovation, timely delivery and customer satisfaction.

Its product range includes Close Top Drums, Open Top Drums, Gooseneck Drums, Composite Drums and Galvanised Drums, available in various sizes and specifications and customisable to customer requirements. The Company serves diverse applications, including the packaging and transportation of petroleum, oil and lubricants (POL), additives, chemicals and agro-chemicals, food and fruit products, bitumen, paints and inks.

An in-house technology and product development centre drives product design and innovation, while modern, fully automatic production systems enable manufacturing across varied capacities and dimensions. The Company is certified under ISO 9001:2015 (Quality Management), ISO 14001:2015 (Environmental Management) and ISO 45001:2018 (Occupational Health & Safety Management).

Its customer base spans the industrial and petroleum sectors, including leading PSU oil companies such as Indian Oil Corporation Limited, Bharat Petroleum Corporation Limited and Hindustan Petroleum Corporation Limited, along with established private-sector companies. The Company produced approximately 21.84 lakh drums and barrels during FY 2025–26. During FY 2026–27, the Company has produced approximately 11.01 lakh units till date.
