2. This Statement, which is the responsibility of Company's Management and approved by its Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with the relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express conclusion on Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. We draw attention to Note 4 and Note 5 to the accompanying Standalone Financial Results with respect to investments in (including subordinate debt), loans & advances and trade and other receivables aggregating to INR 8,044.51 million with respect to Rohtak Panipat Tollway Private Limited and Rohtak Hissar Tollway Private Limited, subsidiaries of the Company. adjustment to the carrying value of the investments (including subordinate debt) and loan & advances, trade and other receivables is necessary as at June 30, 2026.

We have not been able to corroborate the management's contention of realising the carrying value of investments (including subordinate debt), loans and advances, trade and other receivables related to both subsidiaries aggregating to INR 8,044.51 million as at June 30, 2026.

Accordingly, we are unable to comment on appropriateness of the carrying value of such investments (including subordinate debt), loans and advances, trade and other receivables and their consequential impact on the financial results and financial position of the Company as at and for the quarter ended June 30, 2026.

Our Audit Opinion on the financial statements for the year ended March 31, 2026 and review conclusion on financial results for the quarter ended June 30, 2025 were also qualified in respect of this matter.

5. Based on our review conducted as above, except for the possible effects of our observations in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**6. Emphasis of Matter**

We draw attention to:

- (i) Note No. 11 to the accompanying Unaudited Standalone Financial Results, regarding management's contention on balances outstanding in the parties under trade payables which are under litigation. The management is of the view that such additional claims are not tenable and accordingly, no further provision has been made in the books of account.
- (ii) Note No. 8 to the accompanying Unaudited Standalone Financial Results regarding termination notice issued by the Government of Maharashtra to the Maharashtra Border Check Post Network Limited (MBCPNL) subsidiary of the Company in respect of Concession Agreement. The MBCPNL has contested the termination and based on assessment; the management of MBCPNL remains confident of a favourable resolution and hence no provision or adjustment has been made to the carrying values of the investment and loan receivables as at June 30, 2026.

**7. Material uncertainty related to going concern**

We draw attention to Note No. 10 to the unaudited standalone financial results, which indicates that the Company has incurred losses in prior periods and experienced a significant reduction in income from operations. These events or conditions along with other matters as set forth in the said note indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Management's evaluation of the events and conditions and management's plans regarding these matters are also described in the said note.

Our conclusion is not modified in respect of this matter.
