Vectras Enprocon Limited Secures ₹13.93 Crore Pipeline Construction Order from GAIL (India) Limited

Ahmedabad, Gujarat | November 18, 2026 — Vectras Enprocon Limited (BSE SME: 545020 | ISIN: INE1FD201014), a company engaged in the construction of oil and gas infrastructure, including pipelines, combined stations works and associated facilities, today announced that it has received a domestic contract award from GAIL (India) Limited valued at approximately ₹13.93 crore.

Under the contract, Vectras Enprocon Limited will undertake the construction of steel pipelines and associated facilities for Last Mile Connectivity (LMC) and City Gas Distribution (CGD) projects in the Western Region on an Annual Rate Contract (ARC) basis. The contract is to be executed over a period of 24 months.

Key Order Highlights

- **Client:** GAIL (India) Limited
- **Scope of Work:** Construction of steel pipelines and associated facilities for LMC / CGD projects in the Western Region on an ARC basis
- **Order Value:** Approximately ₹13.93 crore (excluding GST)
- **Execution Period:** 24 months

Awarded in the normal course of business, this contract adds to the Company's unexecuted order book, which stood at ₹183.28 crore across 34 projects as of September 30, 2026. The order value represents approximately 11.6% of the Company's FY 2025–26 revenue from operations of ₹119.80 crore. Coming shortly after Vectras Enprocon's listing on the BSE SME platform on November 6, 2026, the order further strengthens the Company's presence in the midstream and downstream segments of India's oil and gas sector.

Management Commentary

Commenting on the order, Mr. Naynesh Patel, Chairman and Whole-Time Director of Vectras Enprocon Limited, said:

> *"Securing this ₹13.93 crore contract from GAIL (India) Limited is a strong validation of our technical execution capabilities and growing presence in India's city gas distribution infrastructure. As natural gas networks expand across the Western Region, our focus remains on timely, safe project delivery and building sustained order momentum for our stakeholders."*

About Vectras Enprocon Limited

Headquartered in Ahmedabad, Gujarat, Vectras Enprocon Limited (formerly Vectras Enprocon Private Limited) is engaged in providing construction and allied services in the midstream and downstream segments of the oil and gas industry. The Company's key areas of operations include construction of combined stations works, laying and construction of cross-country pipelines, and associated piping, mechanical, electrical and civil works.
