Sub: Intimation Of receipt of Purchase Order to supply worth Rs. 900 Lacs vide PO dated 18th May, 2026

Ref: Intimation under Regulation 30 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015

In terms of Regulation of 30 of SEBI (Listing Obligation and Disclosure Requirements Regulations 2015, We are glad to inform you that INDO SMC Limited has received **Purchase Order worth Rs. 900 Lacs for supply of Bus bar distribution panel box received from one of the prominent Indian engineering and manufacturing company, specialized in heavy industrial machinery, primarily manufacturing elevators, escalators, and pumping systems.**

A bus bar distribution panel box is a centralized electrical enclosure that distributes power from a main source to multiple outgoing circuits. It uses thick, conductive copper or aluminum strips (bus bars) rather than traditional cables. This minimizes energy loss, reduces wiring clutter, and allows for massive electrical loads in a compact, highly organized space.

Further, this Purchase order received from our Valued Customer signifies our strong execution capabilities, our continued and long-term proven track record and relationship with our customers for supplying of **Bus bar distribution panel box** and the same to be supplied within 1 month and therefore this intimation is done.
