NOTES:

1. Explanatory Statement:

An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("the Act") sets out all material facts with respect to Ordinary Business under item no. 3, as set out above is annexed hereto.

2. Information in respect of Director seeking re-appointment:

Additional information, pursuant to Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India ("SS-2"), in respect of Director seeking re-appointment at this Annual General Meeting ("AGM") as mentioned in Item No. 3 of this AGM Notice is annexed hereto.

3. Procedure for attending the AGM through Video Conference ("VC") or Other Audio Visual Means ("OAVM"):

3.1 Pursuant to General Circular No. 03/2025 dated September 22, 2025, issued by Ministry of Corporate Affairs (MCA) and the Circulars issued from time to time by SEBI (hereinafter collectively referred to as "the Circulars"), Companies are allowed to hold their Annual General Meeting ("AGM") through Video Conferencing / Other Audio-Visual Means ("VC/OAVM") without the physical presence of the members at a common venue.

Hence, in compliance with these Circulars, applicable provisions of the Act (including any statutory modifications or re-enactments thereof for the time being in force) read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended, and pursuant to Regulation 44 of SEBI Listing Regulations, the AGM of the Company is being held through VC/OAVM facility of National Securities Depository Limited ("NSDL") e-voting platform. Procedure for attending the AGM is provided below.

3.2 The Members can join the AGM in the VC/OAVM mode 15 (Fifteen) minutes before and after the scheduled time of commencement of the Meeting by following the procedure as provided below in the Notes to the Notice. The facility of participation at the AGM through VC/OAVM will be made available for members on first come first served basis and will close after 15 minutes of the conclusion of the AGM. The large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee and Risk Management Committee, Auditors etc., who are allowed to attend the AGM without any restriction on account of first come first served basis.

3.3 The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.

4. Appointment of Proxy:

Since, this AGM is being held through VC/OAVM, the requirement of physical attendance of members has been dispensed with. Accordingly, in terms of the MCA Circulars and the SEBI Circulars, the facility for appointment of proxies by the members will not be available for this AGM and hence the proxy form, attendance slip and route map of the AGM are not annexed to this notice. However, Corporate/Institutional members intending to authorize their representative to attend the AGM through VC/OAVM facility and participate thereat and cast their votes through e-voting are requested to send to the Company a scanned certified true copy of the Board Resolution with attested specimen signature of the duly authorized signatory(ies) who is/are authorized to attend and vote on their behalf at the AGM. The said Resolution / Authorization shall be sent to the Scrutinizer by e-mail through its registered e-mail address to bhaskar@nlba.in with a copy marked to evoting@nsdl.com and uel.investors@upl-ltd.com

5. Dispatch of the Annual Report:

In line with the applicable MCA Circulars and the SEBI Circulars, the Notice of the AGM along with the Annual Report 2025-26 is being sent only by electronic mode to those Members whose e-mail addresses are registered with the Company or the Depositories or MUFG Intime India Pvt. Ltd., Registrar and Share Transfer Agent of the Company ("MUFG Intime"/"RTA"/"MUFG"), Unit: Uniphos Enterprises Limited, C-101, Embassy 247, LBS Marg, Vikhroli (West), Mumbai Pin - 400 083, Contact No.: 91-22-49186270, Fax No.: 91-22-4918 6060, E-mail: Investor.helpdesk@in.mpms.mufig.com

In accordance with Regulation 36 (1) (b) of the SEBI Listing Regulations, the Company will send a letter to those shareholders who have not registered their e-mail addresses with the Company, MUFG Intime or Depository Participants containing the weblink, along with the exact path, to access the complete Annual Report, including the Notice of the AGM. Members are requested to access the Annual Report electronically to support Green Initiative. The Company shall send a physical copy of the Annual Report to those Members who specifically request for the same at uel.investors@upl-ltd.com mentioning their Folio No. / DP ID and Client ID.

Members may note that the Notice of the AGM and Annual Report 2025-26 will also be available on the Company's website www.uelonline.com, website of the Stock Exchanges i.e., BSE Limited and National Stock Exchange

of India Limited at www.bseindia.com and www.nseindia.com respectively and on the website of NSDL <https://www.evoting.nsdl.com>. For any communication, the shareholders may also send requests to the Company's dedicated investors e-mail ID: uel.investors@upl-ltd.com

6. Dividend, Record Date, etc.:

6.1 The Company has fixed Friday, 17th July, 2026, as the 'Record Date' for the purpose of determining entitlement of members to receive dividend, if approved, for the financial year ended 31st March, 2026.

6.2 If the dividend, as recommended by the Board of Directors, is approved at the AGM, payment of such dividend, subject to deduction of tax at source, will be made within 30 days of the AGM by way of electronic mode as under:

6.2.1 To all Beneficial Owners in respect of equity shares held in dematerialized form as per the data as may be made available for the purpose by the National Securities Depository Limited ("NSDL") and the Central Depository Services (India) Limited ("CDSL"), collectively "Depositories" as on **Friday, 17th July, 2026**.

7. Updation of KYC, PAN, and other details:-

Pursuant to Regulation 12 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 read with SEBI

Master Circular dated February 6, 2026, dividends payable to security holders holding shares in physical form shall be disbursed only through electronic mode.

Such payment to the eligible shareholders holding physical shares shall be made only after they have furnished their PAN, Contact Details (Postal Address with PIN and Mobile Number), Bank Account Details, Specimen Signature, etc., for their corresponding physical folios with the Company or its RTA. Relevant FAQs have been published by SEBI in this regard.

The forms for updation of PAN, KYC, Bank details and Nomination viz. Forms ISR-1, ISR-2, ISR-3 and SH-13 are available on the Company's website at <https://uelonline.com/shareholderforms.html>. In view of the above, we urge the Members to submit the required forms duly filled up and signed, along with the supporting documents at the earliest as under.

- For shares held in electronic form: to their respective Depository Participants ("DPs")
- For shares held in physical form: to the Company/RTA.

Further, Members holding shares in physical form are requested to ensure that their PAN is linked to their Aadhaar card.

Members may please note that SEBI has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/ exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/ folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR – 4, the format of which is available on the Company's website at <https://uelonline.com/shareholderforms.html>. It may be noted that any service request can be processed only after the folio is KYC Compliant.

- Members are requested to note that, dividends if not encashed for a period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). Further, all the shares in respect of which dividend has remained unclaimed for 7 consecutive years or more from the date of transfer to unpaid dividend account shall also be transferred to IEPF Authority. In view of this, members who have not encashed their dividend drafts are requested to claim their dividends from the Company, within the stipulated timeline.

Details of dividend declared by the Company and remaining unclaimed are given below:

10. Green Initiative:

In support of the **Green Initiative**, Members holding shares in physical form and who have not yet registered or updated their e-mail addresses with the Company are requested to do so by following the process mentioned above. Members holding shares in dematerialised form are requested to register or update their e-mail addresses with their respective Depository Participant(s). For any queries or assistance relating to the registration or updation of e-mail addresses, Members may contact investor.helpdesk@in.mpms.mufg.com.

11. Facility of Nomination:

Shareholders can avail the facility of nomination in respect of shares held by them in physical form pursuant to the provisions of Section 72 of the Act read with the Rules made thereunder. Members desiring to avail of this facility may send their nomination in the prescribed Form No. SH-13 duly filled-in to Company's RTA. Members holding shares in electronic form may contact their respective Depository Participant(s) for availing this facility.

12. Submission of Permanent Account Number ("PAN")

SEBI has mandated the submission of Permanent Account Number ("PAN") by every participant in securities market. Members holding shares in dematerialized form are, therefore, requested to submit their PAN to the Depository Participant(s) with whom they are maintaining their dematerialized account(s). Members holding shares in physical form can submit their PAN details to Company's RTA.

13. Inspection of Documents:

The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by

the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e., August 7, 2026.

Members seeking to inspect such documents can send an e-mail to uel.investors@upl-ltd.com

14. Registration as Speaker and Member's Queries with respect to Annual Report:

Members who would like to express their views or ask questions during the AGM may pre-register themselves as a speaker by sending their request from their registered e-mail address mentioning their name, DPID and Client ID / folio number, PAN, mobile number at uel.investors@upl-ltd.com from 28th July, 2026 (9.00 a.m. IST) to 3rd August, 2026 (5.00 p.m. IST). Those Members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the AGM. The Company reserves the right to restrict the number of questions and the number of speakers depending on the availability of time for the AGM.

Shareholders, who would like to express their views / have questions may send their questions in advance mentioning their name, demat account number/folio number, e-mail id, mobile number at uel.investors@upl-ltd.com to enable the Company to reply suitably to their queries either at the time of AGM or through email subsequent to the AGM.

15. Procedure to claims unclaimed / returned undelivered share certificate(s):

Members are hereby informed that as per Regulation 39(4) read with Schedule VI of the SEBI Regulations, the Company, after following the prescribed procedure, has transferred unclaimed / returned undelivered shares to Unclaimed Suspense Account and dematerialized the same. These shares would be held by the Company on behalf of the holders of such shares in an "Unclaimed Suspense Account" opened with National Securities Depository Limited. At the end of seven years, hereof, these shares shall be transferred by the Company to the Investor Education and Protection Fund.

Members may note that the lawful claimant in respect of these shares will be able to claim such shares from the Company till such time they remain in the unclaimed suspense account as aforesaid. The voting rights on such unclaimed shares shall remain frozen till the rightful owner claims the shares

16. SEBI has issued a circular dated March 19, 2025, titled

"Harnessing DigiLocker as a Digital Public Infrastructure for Reducing Unclaimed Assets in the Indian Securities Market" to address the issue of unclaimed financial assets. This initiative enables investors to store and access information of their demat and mutual fund holdings through DigiLocker, a key Digital Public Infrastructure, benefiting investors and their families. Shareholders can also appoint Data Access Nominees within the DigiLocker application. In case of an unfortunate event of demise of shareholder, the nominees will be provided read only access to the DigiLocker account, ensuring that essential financial information is accessible to legal heirs.

17. E-Voting:

11.10. Share Transfer System

Pursuant to Regulation 40 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time, transfer of securities held in physical form is not permitted, except in specific cases of transfers, which are allowed only during any special window(s) notified by SEBI, subject to compliance with prescribed conditions. Accordingly, securities can be transferred and held only in dematerialised form.

Further, SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022, read with subsequent amendments to the LODR Regulations and SEBI Circulars/Master Circulars issued thereafter, has mandated that listed companies shall issue securities only in dematerialised form while processing investor service requests such as:

- issue of duplicate securities certificates;
- claim from Unclaimed Suspense Account;
- renewal/exchange, endorsement, sub-division/splitting and consolidation of securities certificates/folios; transmission and transposition.

In terms of the revised framework notified by SEBI in December 2025 and January 2026, the requirement of issuance of a Letter of Confirmation (LOC) for the aforesaid service requests has been dispensed with, and upon due verification, securities are now credited directly into the shareholder's demat account, thereby simplifying and expediting the process.

For availing any investor service request, shareholders holding securities in physical form are required to submit the prescribed Investor Service Request (ISR) Forms, including Form ISR-4 (as applicable), along with supporting documents. It is further clarified that service requests shall be processed only for folios that are KYC-compliant, in accordance with SEBI's Common and Simplified Norms for processing investor service requests. The relevant ISR Forms are available on the Company's website at <http://uelonline.com/shareholderforms.html>.

SEBI has also mandated furnishing of PAN, contact details, bank account details, specimen signature and nomination (or declaration of opting out of nomination) by holders of physical securities. In this regard, shareholders are advised to ensure that their folios are duly updated with the Company / Registrar and Share Transfer Agent (RTA) by submitting the applicable ISR Forms.

Further, in terms of relevant SEBI Circulars, dividend and other corporate benefits in respect of physical shareholdings are payable only through electronic mode with effect from April 1, 2024, subject to the folio being KYC-compliant. Shareholders who update their KYC details subsequent to April 1, 2024 shall receive the withheld dividends automatically after such updation.

Accordingly, shareholders holding shares in physical form are strongly advised to dematerialise their shareholdings and update their KYC details at the earliest, in order to avoid any delay or inconvenience in receipt of dividends and processing of service requests.

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENT:

The Company is engaged only in trading.

SEGMENT WISE PERFORMANCE:

The Company operates in a single segment, viz. trading. During the year, the Company traded in agro commodities totaling to ₹ 3,200.27 lakhs.

BUSINESS OUTLOOK:

The Company continues to look at new opportunities of trading.

The revenue of the Company is from trading activities, the Company's revenue is also from other income consisting of dividend on equity shares, mutual funds and interest on bank fixed deposits. The financial asset of the Company is mainly investment in listed security and accordingly, any material volatility in the capital market may impact the market value of the investment.

RISKS AND CONCERNS:

Key business risks perceived by the Company and mitigating initiatives are as under:

Funding risk:- As there are only trading activities in the Company, the Company may not be able to mobilize adequate funds, if any, in time. The mitigating factors are that the Company has good investment in the quoted shares, so raising additional funds, if any, will not be difficult for the Company.

Regulatory risk:- Any change in Government / Regulators Policy / Rules / Regulations will require fresh compliances. The mitigating factors are that the group has very strong and dedicated team consisting of professionals to study regulatory changes and fresh requirement.

Foreign currency fluctuation risk:- The Company is engaged in the trading activities, which may subject to risk of less profit / loss on account of volatility in foreign currency exchange. The mitigating factors are that the management ensures to enter in trading transactions in such a way that there are minimal risks of volatility in foreign currency exchange or the Company may take adequate forward cover for foreign exchange fluctuations.

Cyber Security Risk:- The Company is subjected to risks associated with IT and cybersecurity related to dealing with cybercrime, theft of sensitive information. The mitigating factors are that the group has Best-in-class IT Infrastructure and IT security systems that has established robust firewalls and disaster recovery mechanisms. Perpetual event monitoring, implementation of suitable access controls, continuous improvement on IT Infrastructure and Cybersecurity and educating the entire group on safe behaviour and practices are regularly undertaken.

Trading business Risks: The Company is engaged in the trading business of various items viz., agro commodities, metals, chemicals etc. The Company does business directly in the market through contractual arrangements with suppliers and customers, i.e., deals in market are done through sale and purchase contracts at pre-determined rates and quantities, with small tolerance, with the help of market intermediaries. There can be risks on unfulfillment of contractual terms by suppliers or customers such as non-delivery, late / short delivery, quality issues, etc., from supply side and non-payment from customer side. The Company also does business on MCX Commodity platform, i.e., deals are done on MCX platform through intermediary registered with MCX/SEBI. The deals are only done when there is difference between the spot rates and future rates based on the available future contracts at MCX.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The Company has established and maintains internal control systems and internal financial controls commensurate with the size, scale and complexity of its operations, comprising policies, procedures and segregation of duties across key financial, operational and compliance processes to ensure transactions are duly authorised, recorded and supported by appropriate documentation. These controls are reviewed periodically by management and the internal audit function (currently outsourced to M/s. Shah A P & Associates, Firm Reg. No. 157129W). Significant findings and recommendations are reported to the Audit Committee and tracked to closure. The report prepared by internal audit team forms the basis of utilization by the Managing Director and Chief Financial Officer for financial reporting as required under Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company complies with applicable Accounting Standards and maintains accounting records in accordance with generally accepted accounting principles in India, which together support the preparation of reliable financial statements. Based on assessments from management and the internal auditor, the Board is satisfied that the internal control framework, including controls over financial reporting, is adequate and operating effectively for the current business environment.

FINANCIAL AND OPERATIONAL PERFORMANCE:

During the year, the Company traded in agro commodities totaling to ₹ 3,200.27 lakhs as compared to ₹11,151.13 lakhs in the previous year. Other income was ₹ 2,522.94 lakhs as compared to ₹ 611.83 lakhs in the previous year. The Company has earned profit of ₹ 2,071.09 lakhs after tax as compared to profit of ₹ 27.83 lakhs in the previous year. The increase in the other income and profit was due to higher declaration of dividend by UPL Limited of 300% in the current year as against 50% in the previous year.

HUMAN RESOURCES DEVELOPMENT:

The relationship with the employees continued to be cordial throughout the year.

DISCLOSURE OF ACCOUNTING TREATMENT:

INDEPENDENT AUDITOR'S REPORT

To the Members of Uniphos Enterprises Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Uniphos Enterprises Limited (the "Company") which comprise the balance sheet as at 31 March 2026, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its profit and other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's and Board of Directors Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. A. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.

- e. On the basis of the written representations received from the directors on 01 April 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company has disclosed the impact of pending litigations as at 31 March 2026 on its financial position in its financial statements - Refer Note 25 to the financial statements.

- (ii) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 29B to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
- e. The final dividend paid by the Company during the year, in respect of the same declared for the previous year, is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.
- As stated in Note 12A to the financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.
- f. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:
- In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors during the year. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure B to the Independent Auditor's Report on the financial statements of Uniphos Enterprises Limited for the year ended 31 March 2026

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Uniphos Enterprises Limited ("the Company") as of 31 March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

FINANCIAL STATEMENTS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

(All amounts are stated in INR Lakhs, unless otherwise mentioned)

1. Corporate information

Uniphos Enterprises Limited ('the Company') is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on two stock exchanges in India. The Company is engaged in the business of trading of agro commodities, chemicals and other products. The registered office of the Company is located at 11, G.I.D.C., Vapi, District- Valsad, Gujarat. The financial statements were authorised for issue in accordance with a resolution of the directors on 27 May 2026.

2. Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act 2013, ("the Act") as amended thereafter and other relevant provisions of the Act.

The financial statements have been prepared under the historical cost convention on an accrual basis except for certain financial assets and liabilities that are measured at fair value at the end of each reporting period as stated in the accounting policies set out below. The accounting policies applied by the Company are consistent with those used in the previous year. The financial statements are presented in Indian Rupee ('INR') or ('Rs') which is also the Company's functional currency and all values are rounded to the nearest thousands, except when otherwise indicated.

2.1 Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the separate financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Taxes

There are many transactions and calculations undertaken during the ordinary course of business for which the ultimate tax determination is uncertain. Where the final tax outcome of these matters is different from the amounts initially recorded, such differences will impact the current and deferred tax provisions in the period in which the tax determination is made. The assessment of probability involves estimation of a number of factors including future taxable income.

Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future period

Provisions and contingent liabilities

The Company estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates. The Company uses significant judgements to assess contingent liabilities.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model where appropriate. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See Note 32 and 33 for further disclosures

Impairment of financial assets

The Company recognizes loss allowances for expected credit losses on:

- financial asset measured at amortized cost
- financial asset measured at FVTOCI- Equity instruments

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

(All amounts are stated in INR Lakhs, unless otherwise mentioned)

- financial asset measured at FVTPL- Equity instruments

At each reporting date, the Company assesses whether financial assets carried at amortized cost and equity instrument at FVTOCI and FVTPL are credit impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Impairment of non- financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre- tax discount rate that reflects current market assessment of the time value of money and the risk specific to the asset. In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share price for publicly traded subsidiaries or other available fair value indicators.

2.2 Summary of material accounting policies

(a) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle
- It is held primarily for the purpose of trading
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current.

Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has identified twelve months as its operating cycle for the purpose of current / non current classification of assets and liabilities.

b) Revenue recognition

The Company derives revenue primarily from sale of agro commodities, chemicals, other items.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services. To recognize revenues, the Company applies the following five step approach:

- identify the contract with a customer,
- identify the performance obligations in the contract,
- determine the transaction price,

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

(All amounts are stated in INR Lakhs, unless otherwise mentioned)

- allocate the transaction price to the performance obligations in the contract, and
- recognize revenues when a performance obligation is satisfied.

Sale of goods

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, rebates, scheme allowances, price concessions, incentives, and returns, if any, as specified in the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government. Accruals for discounts/incentives and returns are estimated (using the most likely method based on accumulated experience and underlying schemes and agreements with customers). Due to the short nature of credit period given to customers, there is no financing component in the contract.

c) Other income

Interest income

The Company presently has no debt instruments measured at fair value through other comprehensive income. Interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

Dividends

Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

d) Property, Plant and Equipment

Items of property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in statement of profit and loss as incurred. In respect of additions to /deletions from the property, plant and equipment, depreciation is provided on pro-rata basis with reference to the month of addition/deletion of the Assets. Depreciation for the year has been provided as per the rates determined in Part C of Schedule II of the Companies Act, 2013.

e) Investment property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in production or supply of goods or services or for administrative purpose. Upon initial recognition, an investment property is measured at cost less accumulated depreciation and accumulated impairment loss, if any.

Depreciation on investments in property has been provided on written down value basis in accordance with Schedule II of the Companies Act, 2013 by estimating the useful life as 30 to 60 years as may be applicable.

f) Fair value measurement

The Company measures certain financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

(All amounts are stated in INR Lakhs, unless otherwise mentioned)

- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

Quantitative disclosures of fair value measurement hierarchy

Financial instruments (including those carried at amortized cost)

g) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Provisions are reviewed at each balance sheet and adjusted to reflect the current best estimates.

h) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

The Company recognizes financial assets in its balance sheet when it becomes party to the contractual provisions of the instruments.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

(All amounts are stated in INR Lakhs, unless otherwise mentioned)

All financial assets are recognised initially at fair value, plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

The Group holds derivative financial instruments which are not designated as hedging instruments and are initially measured at fair value. Subsequent to initial recognition, derivatives are measured at fair value, and changes therein are generally recognised in profit or loss.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- Debt instruments measured at fair value through other comprehensive income (FVTOCI)
- Debt instruments measured at fair value through profit or loss (FVTPL)
- Debt instruments measured at amortized cost
- Financial assets measured at amortized cost
- Financial assets measured at fair value through other comprehensive income (FVTOCI)

Presently the Company has no debt instruments measured at amortized cost or FVTPL or FVTOCI

Financial assets measured at amortized cost

A financial asset is measured at the amortized cost if both the following conditions are met :

- a) The Company's business model objective for managing the financial assets is to hold financial assets in order to collect contractual cash flows and,
- b) The contractual terms of the financial asset give rise on specified dates to cashflow that are solely payments of principal and interest on the principal amount outstanding.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income or statement of profit and loss, subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in OCI. There is no recycling of the amounts from OCI to the statement of profit and loss, even on derecognition of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily de-recognised (i.e. removed from the Company's balance sheet) when:

- The contractual rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement' and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

(All amounts are stated in INR Lakhs, unless otherwise mentioned)

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18 (referred to as 'contractual revenue receivables' in these financial statements)
- Financial guarantee contracts which are not measured as at FVTPL

The company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables and
- Other receivables

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.
- Financial assets measured as at amortized cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the company does not reduce impairment allowance from the gross carrying amount.

i) Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include only trade and other payables.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

(All amounts are stated in INR Lakhs, unless otherwise mentioned)

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the standalone balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

j) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

k) Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income-tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

(All amounts are stated in INR Lakhs, unless otherwise mentioned)

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

l) Earning per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

m) Segment Reporting:

Based on "Management Approach" as defined in Ind AS 108 -Operating Segments, the Chief Operating Decision Maker evaluates the Company's performance and allocates the resources based on an analysis of various performance indicators by business segments. Inter segment sales and transfers are reflected at market prices.

Unallocable items includes general corporate income and expense items which are not allocated to any business segment.

Segment Policies:

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole. Common allocable costs are allocated to each segment on an appropriate basis.

n) Contingent Liability and Contingent assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non—occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

A contingent asset is not recognised unless it becomes virtually certain that an inflow of economic benefits will arise. When an inflow of economic benefits is probable, contingent asset are disclosed in the financial statements.

Contingent liabilities and contingent assets are reviewed at each balance sheet date.

o) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(B) Measurement of fair value:

Valuation techniques and significant unobservable inputs:

(i) Financial instruments measured at fair value

The fair value of the financial assets and liabilities is included at the amount at which the instrument can be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

The management assessed that cash and cash equivalents, trade receivables, trade payables, other financial assets and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair values of the remaining FVTOCI financial assets are derived from quoted market prices in active markets.

The fair value of mutual funds are based on NAV at the reporting date

(ii) Financial instrument measured at amortized cost:

The carrying amount of financial assets and financial liabilities measured at amortized cost in the financial statements are reasonable approximation of their fair value since the Company does not anticipate that the carrying amounts would be significantly different from the value that would eventually be received or settled.

33. Fair Value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

(All amounts are stated in INR Lakhs, unless otherwise mentioned)

The management assessed that cash and cash equivalents, trade receivables, trade payables, other financial assets and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The amount of unquoted equity instruments under level 3 of FVTPL financial investment is reduced from Rs. 100.92 Lakhs to Rs. 0.36 lakhs in previous year due to provision of impairment of Rs. 100.56 Lakhs

34. Financial risk management objectives and policies

The Company's principal financial liabilities comprise trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company also holds FVTOCI investments.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include FVTOCI investments, FVTPL investments and Loans.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Equity price risk

The Company's listed and non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. Company's investment in its group company - UPL limited, which is listed, is significant. As it is FVTOCI investment, the price fluctuation is accounted in OCI, which doesn't affect the Profit and loss before tax.

Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities from its investing activities, including, all receivables, deposits with banks and financial institutions and other financial instruments.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's board of directors. Investments of surplus funds are made only with approval of Board of directors.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company manages liquidity risk by maintaining adequate reserves, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of the financial assets and liabilities.

35. Capital management

Capital includes equity attributable to the equity holders to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximise shareholder value. The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions or its business requirements. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. No changes were made in the objectives, policies or processes during the year ended 31 March 2026.
