INVESTOR PRESENTATION FY26

Disclaimer

This presentation and the discussion may contain certain words or phrases that are forward - looking statements, which are tentative, based on current expectations of the management of BSE Limited or any of its subsidiaries and associate companies (“BSE”). Actual results may vary significantly from the forward-looking statements contained in this presentations due to various risks and uncertainties. These risks and uncertainties include competitive landscape, stakeholders' preferences, effect of economic and political conditions in India and outside India, volatility in interest rates and in the securities market, new regulations and Government policies that may impact the businesses of BSE as well as the ability to implement its strategy.

The information contained herein is as of the date referenced and BSE does not undertake any obligation to update these statements. BSE has obtained all market data and other information from sources believed to be reliable or are its internal estimates, although its accuracy or completeness cannot be guaranteed. Competition numbers are based on published results and management analysis. For the purpose of comparison, following stock exchanges are considered – National Stock Exchange of India Limited, Metropolitan Stock Exchange of India Limited, NSE IFSC Limited, Indian Commodity Exchange Limited, Multi Commodity Exchange of India Ltd and MF Utilities India Pvt Ltd. The presentation relating to financial performance herein is reclassified/regrouped based on Management estimates and may not directly correspond to published data. The numbers have also been rounded off in the interest of easier understanding. Prior period figures have been regrouped/reclassified wherever necessary. All information in this presentation has been prepared solely by the company and has not been independently verified by anyone else.

This presentation is for information purposes only and does not constitute an offer or recommendation to buy or sell any securities of BSE. Any action taken by you on the basis of the information contained herein is your responsibility alone and BSE or its directors or employees will not be liable in any manner for the consequences of such action taken by you.

The distribution of this document in certain jurisdictions may be restricted by law and persons into whose possession this presentation comes should inform themselves about, and observe, any such restrictions.

Integrated Business Model

Multiple contact points with members and market participants provides the ability to generate revenue from multiple levels of the business

1	Transaction Charges	<ul style="list-style-type: none"> To an extent linked to Market Activity 	<ul style="list-style-type: none"> Linked to market activity levels and household savings and investments
2	Treasury Income on Clearing and Settlement Funds	<ul style="list-style-type: none"> Linked to Market Activity to an Extent 	<ul style="list-style-type: none"> Linked to interest rates and, to an extent, market activity since that would lead to more margin being deposited by members
3	Other Securities Services	<ul style="list-style-type: none"> Recurring 	<ul style="list-style-type: none"> Primarily consists of charges recovered from members for network connectivity
4	Listing Services	<ul style="list-style-type: none"> Recurring 	<ul style="list-style-type: none"> Mostly derived from listing income that is not impacted by market activity Dependent on number of listed entities and hence is a recurring revenue stream Potential for increase if amount charged is increased
5	Data Dissemination Fees	<ul style="list-style-type: none"> Recurring 	<ul style="list-style-type: none"> Impacted primarily due to level of subscriptions and revision in pricing policies Contributes only 4-5% in India compared to 10-25% in developed markets
6	Income From Investments and Deposits	<ul style="list-style-type: none"> Recurring 	<ul style="list-style-type: none"> Linked to investment yields
7	Other Income	<ul style="list-style-type: none"> Recurring 	<ul style="list-style-type: none"> Mostly derived from rent and training institute etc., which are stable sources of income
