General:

1. Securities transaction tax will not be applicable to the Equity Shares accepted in this Offer.
2. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31.
3. A person who is an Indian tax resident is liable to income-tax in India on his/her worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act, 2025 (IT Act) as amended from time to time.
4. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e., income which accrues or arises or is deemed to accrue or arise in India) as also income received by such person in India. In case of shares of a company, the source of income from shares will depend on the "situs" of such shares. As per judicial precedents, the "situs" of the shares is where a company is "incorporated" and where its shares can be transferred.
5. Accordingly, since the Target Company is incorporated in India, the Target Company's shares should be deemed to be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the IT Act.
6. Further, the non-resident shareholder can avail beneficial treatment under the Double Taxation Avoidance Agreement ("DTAA") between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions including but not limited to (a) conditions (if any) present in the said DTAA read with the relevant provisions of the Multilateral Instrument ("MLI") as ratified by India with the respective country of which the said shareholder is a tax resident and (b) non-applicability of General Anti-Avoidance Rule ("GAAR") and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.
7. The IT Act also provides for different income-tax regimes/rates applicable to the gains arising from the acceptance of shares under the Offer, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc.
 - (a) The Public Shareholders may be required to undertake compliances such as filing an annual income tax return, as may be applicable to different categories of persons, with the income-tax authorities, reporting their income for the relevant year.
 - (b) Individual, Hindu Undivided Family, Association of persons (other than a cooperative society) and Body of Individuals have an option to either be subjected to tax at the rates prescribed in the First Schedule to the Finance Act 2026 or be governed by the provisions of section 202 of the IT Act.
 - (c) In case of any Public Shareholder who furnishes a valid certificate under Section 395 of the IT Act and on that basis claims that either no tax should be deducted or tax at the lower rate as specified in the certificate should be deducted, tax (including applicable surcharge and health and education cess) will be deducted as per the mandate of the certificate.
 - (d) Any public shareholder claiming eligibility for non-deduction of tax in accordance with the provisions of section 393 (4), 393 (5) and 393 (9) of the IT Act will need to demonstrate such an eligibility with documentary evidence.

- (e) The summary of income-tax implications on tendering of listed equity shares is set out below. All references to equity shares herein refer to listed equity shares unless stated otherwise.

- (c) While the IT Act does not prescribe specific criteria for the characterization of such income, principles established by several Court rulings and administrative guidance issued by the Central Board of Direct Taxes (“CBDT”) should be considered in determining the characterization of income.
10. Income from sale of Equity Shares classified as investment:
- (a) As per the current provisions of the IT Act, where the shares are held as investments (i.e. capital assets), income arising from the transfer of such shares is taxable under the head “Capital Gains”. Further, Section 2(22) of the IT Act provides that investment in securities by FPIs and Investment Funds will be treated as ‘Capital Assets’ if such investment is made in accordance with SEBI regulations / IFSC regulations. Therefore, the gains arising in the hands of FPIs / Investment Funds, on transfer of these securities, will be taxable in India as capital gains.
