INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM STANDALONE FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF
MAHANAGAR GAS LIMITED

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **MAHANAGAR GAS LIMITED** ("the Company"), for the quarter and six months ended September 30, 2026 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 Of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

The total demand raised by GAIL for the period from November 2008 till July 2021 was Rs. 331.80 Crore. The matter was heard by APTEL and remanded back to the PNGRB on technical grounds in September 2019. PNGRB in March 2020, had passed an Order which directed the Company and GAIL to pay the disputed transportation tariff to ONGC. The Company filed an Appeal before APTEL against the PNGRB order in April 2020. The matter was heard by APTEL in October 2020. APTEL remanded back the case in July 2021 to PNGRB for proper adjudication. The matter was heard by PNGRB in April 2022 and an order was passed in September 2022 directing the Company to pay the disputed transportation tariff for the period 2014 to 2021 as per the transportation tariff fixed by PNGRB for UTNGPL. The Company had filed a writ before the Hon'ble High Court of Delhi challenging the PNGRB's September 2022 order. The Hon'ble High Court has rescheduled the next hearing to December 15, 2026.

   Based on the legal opinions obtained, the Company believes that it has a strong case and does not expect any outflow of resources. Hence, no provision has been recognised.

A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

We did not review the interim financial information of 1 subsidiary included in the unaudited consolidated financial results, whose interim financial results reflect total assets of Rs. 49.92 crore as at September 30, 2026, total revenue of Rs. 1.31 crore and Rs. 2.32 crore for the quarter and six months ended September 30, 2026 respectively, total net loss after tax of Rs. 0.45 and Rs. 1.19 crore for the quarter and six months ended September 30, 2026 respectively and total comprehensive loss of Rs. 0.45 crore and Rs. 1.19 crore for the quarter and six months ended September 30, 2026 and net cash outflow of Rs. 0.52 crore for the six months ended September 30, 2026, as considered in the Statement. This interim financial information have been reviewed by other auditors whose report has been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of this subsidiary is based solely on the report of the other auditors and the procedures performed by us as stated in paragraph 3 above.

   Our conclusion on the Statement is not modified in respect of this matter.

The aforesaid consolidated financial results of Mahanagar Gas Limited ("the Company / Holding Company") and its subsidiary and associates (referred together as "the Group") are submitted by the Company pursuant to Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015. The above consolidated financial results were reviewed and recommended by the Audit Committee on November 02, 2026 and subsequently approved by the Board of Directors at their meeting held on November 03, 2026.

2. The above consolidated financial results have been prepared in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended.

3. The Group is mainly in the business of selling and distribution of natural gas. There are no separate reportable segments, other than selling of natural gas, as per IND AS 108 – "Operating Segments".

4. GAIL (India) Limited (GAIL) raised demand on the Holding Company in April 2014 for transportation tariff with respect to ONGC's Uran Trombay Natural Gas Pipeline (UTNGPL) pursuant to demand on them by Oil and Natural Gas Corporation Limited (ONGC), based on the Petroleum and Natural Gas Regulatory Board (PNGRB) order dated December 30, 2013, determining tariff for ONGC's UTNGPL as a common carrier. The total demand raised by GAIL for the period from November 2008 till July 2021 was Rs. 331.80 Crore. The Holding Company disputed the demand with GAIL based on contractual provisions and since the transportation charges are to be paid by a third-party user for utilisation of UTNGPL to ONGC as common carrier and not for transportation of its own gas by ONGC.

   The Holding Company filed an appeal with the PNGRB in February 2015, the same was dismissed in October 2015. The Holding Company filed a writ petition, in November 2015, with the Hon'ble High Court of Delhi. The Court advised the Holding Company to file an appeal with Appellate Tribunal for Electricity (APTEL) being Appellate Authority of the PNGRB in November 2016. The matter was heard by APTEL and remanded back to the PNGRB on technical grounds in September 2019. PNGRB in March 2020, had passed an Order which directed the Holding Company and GAIL to pay the disputed transportation tariff to ONGC. The Holding Company filed an Appeal before APTEL against the PNGRB order in April 2020. The matter was heard by APTEL in October 2020. APTEL remanded back the case in July 2021 to PNGRB for proper adjudication. The matter was heard by PNGRB in April 2022 and an order was passed in September 2022 directing the Holding Company to pay the disputed transportation tariff for the period 2014 to 2021 as per the transportation tariff fixed by PNGRB for UTNGPL. The Holding Company had filed a writ before the Hon'ble High Court of Delhi challenging the PNGRB's September 2022 order. The Hon'ble High Court of Delhi vide its order dated December 13, 2022 has stayed the recovery against the PNGRB order and has directed the Holding Company to deposit a sum of Rs. 50 Crore with GAIL by February 15, 2023, which was deposited with GAIL on February 14, 2023. The Hon'ble High Court has rescheduled the next hearing to December 15, 2026.

   Based on the legal opinions obtained, the Holding Company believes that it has a strong case and does not expect any outflow of resources. Hence, no provision has been recognised.

5. Pursuant to the scheme of Amalgamation ("the Scheme") under Section 230 to 232 of the Companies Act, 2013 sanctioned by the Hon'ble National Company Law Tribunal, Mumbai bench, vide order dated July 09, 2025 (certified true copy received on July 23, 2025), Unison Enviro Private Limited (UEPL) a wholly owned subsidiary of the Company has been amalgamated with the Company, the appointed date being February 01, 2024. In terms of the Scheme, the assets and liabilities of UEPL have been vested with the Company and have been recorded at their respective fair values as of appointed date, as per Indian Accounting Standards i.e, IND AS 103 - Business Combinations.
