Aastha Spintex Secures ₹76.78 Crore Order Book for July–October 2026

Visible Revenue Pipeline Strengthens as Post-Falcon Capacity Drives Client Demand

Ahmedabad, July 13, 2026: Aastha Spintex Limited (NSE: AASTHA | BSE: 544808), a leading cotton yarn manufacturer, today announced a robust order book of approximately ₹**76.78 Crores** spanning the four-month period from July 2026 through October 2026. This cumulative order pipeline represents **over 21% of the Company's FY (2024-25) revenue**, reflecting strong demand traction and improved capacity utilization post the Falcon Texotube integration.

ORDER BOOK SNAPSHOT

Month	Quantity (KGS)	Value (₹ Cr)	Orders
July 2026	8,36,416	~24.45	18
August 2026	7,20,960	~20.78	15
September 2026	7,77,041	~22.83	15
October 2026	3,11,442	~8.72	7
TOTAL	**~26,45,859**	**~76.78**	**55**

KEY BUSINESS HIGHLIGHTS

1. Repeat Business from Top Clients Drives Confidence

Aastha Spintex's order book is anchored by deep relationships with marquee clients. **7 Seas Impex** and **Texpert India Private Limited** — two of the Company's largest and longest-standing customers — have placed multiple repeat orders across all four months, demonstrating sustained demand and strong client stickiness.

> "Repeat orders from leading clients validate the quality and reliability of our yarn products. When your largest customers keep coming back month after month, it signals market trust," the Company stated.

2. Diversified Client Portfolio De-Risks Revenue

The 55 orders span **10+ active clients** across Gujarat and surrounding states, including:

- **7 Seas Impex** — Anchor client, multi-order repeat business
- **Texpert India Private Limited** — Large-scale repeat buyer
- **Elkins Tradelinks** — Consistent monthly demand
- **Niva Export** — Growing order volumes
- **Sharvay Agronics LLP** — New client onboarded September 2026
- **Excelsior Corporation**, **ACME Yarns Private Limited**, **Rameshwar Udyog**, **JD Merchant**, **Ankita Export**

This client diversification strategy reduces concentration risk and provides multi-source revenue visibility.

3. Falcon Integration Delivering Measurable Results

The ₹76.78 Crore order book directly reflects the successful integration of **Falcon Texotube Private Limited**, which expanded Aastha Spintex's installed spindle capacity from **7,700 MT to 17,457 MT** — a **2.3x capacity increase**. The enhanced manufacturing capability is enabling the Company to fulfill larger and more frequent orders from both existing and new clients.

4. New Client Addition Expands Market Reach

The Company onboarded **Sharvay Agronics LLP** as a new client in September 2026, reflecting growing market recognition and the ability to attract fresh business relationships post-capacity expansion.

5. Strong Q2-Q3 Delivery Pipeline

With the majority of orders concentrated in the July–September 2026 period, the Company has **near-term revenue visibility** for the first half of FY2026-27, providing operational clarity and cash flow predictability.

MANAGEMENT COMMENTARY

> “The ₹76.78 Crore order book for July–October 2026 is a strong validation of our post-Falcon growth strategy. We are seeing both our existing clients scale up their orders and new clients entering our ecosystem. Our 2.3x capacity expansion is now translating into real business momentum. We remain focused on execution, quality, and deepening client relationships as we move forward.”
