NOTES

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Purva Shareregistry (India) Private Limited (Purva) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the 30TH September, 2026 of the AGM will be provided by Purva.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.indianinfotechandsoftwareltd.in. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com

respectively. The AGM Notice is also disseminated on the website of PURVA (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. <https://evoting.purvashare.com/>.

7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.

8. In continuation of this Ministry's **General Circular No. 20/2020**, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January, 13, 2021.

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on **Sunday September 27, 2026 at 09:00 A.M. and ends on Tuesday September 29, 2026 at 05:00 P.M.** During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 23rd September, 2026 may cast their vote electronically. The e-voting module shall be disabled by Purva for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the de-mat account holders, by way of a single login credential, through their de-mat accounts/ websites of Depositories/ Depository Participants**. De-mat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in de-mat mode are allowed to vote through their de-mat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their de-mat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in De-mat mode** is given below:

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

ITEM NO. [3]: APPOINTMENT OF STATUTORY AUDITORS

The Members are informed that the present Statutory Auditors of the Company, M/s SSRV & Associates, Chartered Accountants, Firm Registration No. [135901W], are proposed to be appointed as the Statutory Auditors of the Company for a further term of five consecutive years, commencing from the conclusion of this Annual General Meeting until the conclusion of the 49th Annual General Meeting.

The Board of Directors, based on the recommendation of the Audit Committee, has recommended the appointment of M/s SSRV & Associates, Chartered Accountants, as the Statutory Auditors of the Company for a period of five consecutive years.

M/s SSRV & Associates have furnished their written consent and eligibility certificate confirming that they are eligible for appointment as Statutory Auditors of the Company and that their appointment, if made, shall be in accordance with the provisions of the Companies Act, 2013 and the rules made thereunder.

The Audit Committee and the Board of Directors have considered the qualifications, experience, expertise and professional credentials of M/s SSRV & Associates and are of the opinion that their qualifications and experience are commensurate with the size and requirements of the Company.

Basis of Recommendation

The recommendation for appointment of M/s SSRV & Associates is based on their professional competence, experience, understanding of the Company's business and their capability to undertake the statutory audit of the Company in an effective and independent manner.

Terms of Appointment

M/s SSRV & Associates shall be appointed as Statutory Auditors of the Company for a period of five consecutive years, from the conclusion of this Annual General Meeting until the conclusion of the th Annual General Meeting.

The Statutory Auditors shall conduct the audit in accordance with the provisions of the Companies Act, 2013, applicable Accounting Standards and other applicable laws and regulations.

Proposed Audit Fees

The proposed remuneration payable to M/s SSRV & Associates for the statutory audit as may be mutually agreed between the Board of Directors and the Statutory Auditors.

The Board of Directors shall be authorised to revise the remuneration of the Statutory Auditors from time to time, in consultation with the Audit Committee and the Statutory Auditors, as may be considered appropriate.

Credentials of the Proposed Auditors

M/s SSRV & Associates, Chartered Accountants, is a firm of Chartered Accountants registered with the Institute of Chartered Accountants of India. The firm has experience in providing professional services in the areas of statutory

audit, assurance, taxation, accounting and allied regulatory matters.

The firm has the requisite professional competence and experience to undertake the statutory audit of the Company.

The proposed appointment is in accordance with the applicable provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Board recommends the Ordinary Resolution set out at Item No. 3 for approval of the Members.

None of the Directors, Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the proposed resolution.

ITEM No. 4 TO APPROVE INCREASE IN LIMIT UP TO RS. 500 CRORES TO MAKE INVESTMENTS, LOAN/GUARANTEE & ADVANCES IN EXCESS OF LIMITS SPECIFIED UNDER SECTION 186 OF COMPANIES ACT, 2013:

The Company may make investments in, give loans and guarantees to and providing securities in connection with loans to various persons and bodies corporate (including its subsidiary) from time to time, in compliance with the applicable provisions of the Act. The provisions of Section 186 of the Act read with the Companies (Meetings of Board and its Powers) Rules, 2014, as amended to date, provides that no company is permitted to, directly or indirectly, (a) give any loan to any person or other body corporate; (b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and (c) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, exceeding sixty percent of its paid-up share capital, free reserves and securities premium account or one hundred per cent of its free reserves and securities premium account, whichever is more. Further, the said Section provides that where the giving of any loan or guarantee or providing any security or the acquisition as provided under Section 186(2) of the Act, exceeds the limits specified therein, with prior approval of Members by means of a **Special Resolution** is required.

In view of the above and considering the long term business plans of the Company, which requires the Company to make sizeable loans / investments and issue guarantees / securities to persons or bodies corporate, from time to time, prior approval of the Members is being sought for enhancing the said limits, subject to the approval of members the proposed to be increased in the limit up to Rs. 500 Crores for the company. Hence, the Special Resolution at Item No. 3 of the Notice, notwithstanding the fact that the same exceeds the limits provided under Section 186 of the Act.

The Directors, therefore, recommend the Resolution as set out in item no. 4 for the approval of the Members of the Company.

None of the Directors, Key Managerial Personnel and their relatives are in any way, financially or otherwise concerned or interested in this Resolution.

ITEM No. 5 TO APPROVE INCREASE IN LIMIT UP TO RS. 250 CRORES OF RELATED PARTY TRANSACTION:

Pursuant to Section 188 of the Companies Act, 2013 ("the Act"), read with Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014 the Company is required to obtain consent of the Board/Audit Committee and prior approval of the members by resolution in case certain Related Party Transactions exceed such sum as is specified in the rules, the company in its meeting dated 05th Sep. 2026 get approval for all 'material' related party transactions (RPT) from Board and its Committees for any of the Related Party Transactions to be done by company in future up to the limit prescribed here. The aforesaid provisions are not applicable in respect transactions entered into by the Company in the ordinary course of business.

However, pursuant to Regulation 23(4) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), approval of the shareholders through Ordinary Resolution is required for all 'material' related party transactions (RPT) even if they are entered into in the ordinary course of business on an arm's length basis. For this purpose, a RPT will be considered 'material' if the transaction / transactions to be entered into individually or taken together with previous transactions during a financial year exceeds 10% or any amended prescribed limits as per the Companies Act, 2013 and its Rules, SEBI (LODR) Regulations, 2015 of the Company as per the last audited financial statements of the Company.

In terms of the provisions of Section 188 of the Companies Act, 2013 and Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the contracts/ arrangements/transactions relating to sale, purchase, transfer or receipt of products, goods, materials, assets or services, selling or otherwise disposing, lending, borrowing, Sub Contract Arrangement, appointment to any office or place of profit, availing or rendering of any services, leasing of property on such terms and conditions as the Board of Directors may deem fit, up to a maximum aggregate value of 250 Crore for a period of one FY 2026-27, provided that the said contract(s)/ arrangement(s)/ transaction(s) so carried out in the ordinary course of business of the Company.

The Directors, therefore, recommend the Resolution as set out in item no. 5 for the approval of the Members of the Company.

None of the Directors, Key Managerial Personnel and their relatives are in any way, financially or otherwise concerned or interested in this Resolution.

ITEM No. 6 TO APPROVE INCREASE IN LIMIT UP TO RS. 500 CRORES OF BORROWING POWER IN EXCESS OF LIMITS SPECIFIED UNDER SECTION 180 (1) (C) OF COMPANIES ACT, 2013.

Keeping in view the existing and future financial requirements to support its business operations, the Company may need additional funds. For this purpose, the Company may, from time to time, raise finance from various Banks and/or Financial Institutions and/ or any other lending institutions and/or Bodies Corporate and/or such other entity/body corporate/inter body corporate loan as may be considered fit, which, together with the moneys already borrowed by the Company if any (apart from temporary loans obtained from the Company's bankers in ordinary course of business) may exceed the aggregate of the paid-up capital and free reserves of the Company. Hence it is proposed to increase the maximum borrowing limits to 500 crores for the Company. Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors cannot borrow more than the aggregate amount of the paid-up capital of the Company and its free reserves at any one time except with the consent of the members of the Company in a general meeting. In order to facilitate securing the borrowing made by the Company, it would be necessary to create charge on the assets or whole or part of the undertaking of the Company. Further, Section 180(1) (a) of the Companies Act, 2013 provides for the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company subject to the approval of members in the General Meeting, which authorization is also proposed to be increased to Rs. 500 Crores for the Company.

The Directors, therefore, recommend the Resolution as set out in item no. 6 for the approval of the Members of the Company.

None of the Directors, Key Managerial Personnel and their relatives are in any way, financially or otherwise concerned or interested in this Resolution.

ITEM No. 7 TO APPOINT MR. YATIN VILAS CHAPHEKAR (DIN: 11927324) AN INDEPENDENT DIRECTOR

At the Board Meeting of the Company held on 05th September, 2026 the Board had recommended to **Mr. Yatin Vilas Chaphekar (DIN: 11927324)**, as a Non-Executive Independent Director.

The appointment of **Mr. Yatin Vilas Chaphekar (DIN: 11927324)**, for a term of 5 years from the date of his appointment stated in the resolution no 7, his appointment shall be effective upon approval by the members in the Meeting.

Mr. Yatin Vilas Chaphekar (DIN: 11927324), is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent to act as a Director of the Company and has given declaration to the Board that he meets criteria for independence as provided under section 149(6) of the Act and Regulation 16 (1) (b) of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015.

Except **Mr. Yatin Vilas Chaphekar (DIN: 11927324)**, no other directors, Key managerial personnel or their relatives thereof is interested or concerned in the proposed resolution.

The Board commends the resolution set out at item no. 7 of the approval members in general meeting as Special resolution

MANAGEMENT DISCUSSION AND ANALYSIS

The Management Discussion and Analysis Report for the year ended 31st March, 2026 as stipulated under Regulation 34(2) read with Schedule V of SEBI (LODR) Regulations 2015 have been included in consonance with the Code of Corporate Governance as approved by The Securities and Exchange Board of India (SEBI). Investors are cautioned that these discussions contain certain forward looking statements that involve risk and uncertainties including those risks which are inherent in the Company's growth and strategy. The company undertakes no obligation to publicly update or revise any of the opinions or forward-looking statements expressed in this report consequent to new information or developments, events or otherwise.

The operational performance and future outlook of the business has been reviewed by the management based on current resources and future development of the Company.

ECONOMIC OVERVIEW OF FINANCE INDUSTRY:

Macroeconomic Overview

The global economy continued to demonstrate resilience into 2026, with the International Monetary Fund's World Economic Outlook (January 2026 update) projecting global GDP growth at around 3.3% for 2026. Advanced economies are expected to grow modestly at approximately 1.5%–1.6%, while emerging markets and developing economies are projected to expand faster at about 4.0%, led by India and parts of Southeast Asia.

Global inflation, after showing signs of moderation, is now expected to remain elevated due to recent energy shocks, with the OECD projecting world inflation of around 4.0%–4.2% in 2026, driven primarily by geopolitical tensions and commodity price volatility.

Geopolitical tensions (notably in Eastern Europe and the Middle East), ongoing realignment of global supply chains (nearshoring and diversification), and tightening financial conditions continue to shape the macroeconomic landscape.

Recent global outlooks by institutions such as the IMF and World Bank indicate a slight moderation in growth expectations for 2026 (in the range of ~2.6%–3.1% depending on scenario assumptions) due to persistent inflationary pressures, trade uncertainties, and monetary policy tightening.

Indian Economy Overview

India continued to demonstrate strong economic momentum in FY 2026, reinforcing its position as one of the fastest growing major economies globally. As per data released by the National Statistical Office (NSO) and the Economic Survey 2025–26, real GDP growth for FY 2026 is estimated at approximately 7.4%–7.6%, with nominal GDP expanding by around 8.0%–8.6% during the year.

Quarterly performance remained robust, with GDP growth sustaining momentum across the year, supported by resilient domestic demand and investment activity. The Reserve Bank of India (RBI), in its latest assessments, maintained a positive outlook, with earlier projections in the range of 6.5%–6.8%, while actual outturns have exceeded these estimates, reflecting stronger-than-expected economic performance.

India's macroeconomic fundamentals remained stable, supported by moderating inflation, which averaged at historically low levels during FY 2026 due to favorable supply conditions and policy interventions. Labour market indicators also showed improvement, with strengthening employment conditions and increasing labour force participation contributing to overall economic resilience.

Growth during the year continued to be driven by strong private consumption, sustained government capital expenditure-particularly in infrastructure sectors such as roads, railways, and logistics-robust investment activity, and ongoing digital transformation. Additionally, India benefitted from steady foreign investment inflows and a wellcapitalized and resilient financial system, reinforcing the country's medium-term growth outlook despite global uncertainties.

Reserve Bank of India (RBI) Insights

The Reserve Bank of India (RBI) maintained its focus on preserving macroeconomic and financial stability during FY 2026. The policy repo rate was largely maintained at around 6.50% for a significant part of the year, reflecting the central bank's calibrated approach to balancing inflation control with growth support.

Monetary policy continued to be guided by a cautious and data-dependent stance, transitioning gradually from the earlier "withdrawal of accommodation" towards a more neutral posture as inflationary pressures eased. Headline CPI inflation moderated during the year and broadly remained within the RBI's tolerance band, averaging around 4.5%–5.0%, supported by favorable base effects and supply-side interventions.

The RBI's policy approach remained anchored on ensuring durable price stability while supporting economic momentum. Liquidity

conditions were managed prudently to ensure adequate system liquidity without fuelling inflationary pressures. Overall, the central bank's measured and forward-looking policy stance contributed to sustaining macroeconomic stability amid evolving global and domestic uncertainties.

Key highlights from the RBI Financial Stability Report (2026):

- The Indian banking sector continued to strengthen its balance sheet, with the Gross Non-Performing Asset (GNPA) ratio improving further to around ~2.0%–2.3% as of March 2026, remaining at multi-year lows and expected to stay broadly contained over the medium term.
- The Reserve Bank of India (RBI) continued to intensify regulatory oversight of Non-Banking Financial Companies (NBFCs), with a sharper focus on liquidity management, asset quality, governance standards, digital lending ecosystems, and consumer protection frameworks.
- Recent regulatory guidance has emphasized prudent and responsible credit growth, strengthened risk management practices, and accelerated adoption of technology, including enhanced supervisory frameworks for digital lending and fintech-driven business models.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

The NBFC sector continued to play a pivotal role in India's credit ecosystem in FY 2026, supported by strong demand from retail and MSME segments. Industry estimates indicate that total NBFC credit outstanding has crossed approximately ` 60–62 trillion by FY 2026, reflecting steady expansion over the previous year. Credit growth moderated to around 12%–14% during FY 2026, compared to higher growth levels in earlier periods, as lenders adopted a more calibrated and risk-conscious approach amid evolving regulatory expectations.

Key sectoral trends during the year include:

- **Digitalisation:** NBFCs continued to accelerate digital adoption across the customer lifecycle, resulting in enhanced customer experience, faster onboarding, and improved transparency. Customer satisfaction levels remained high, with widespread acceptance of digital platforms.
- **Asset Quality:** Asset quality metrics remained stable, with GNPA ratios largely contained and significantly improved compared to historical cycles, supported by strengthened underwriting practices and better risk management frameworks.
- **Growth Drivers:** Retail segments—particularly vehicle finance, consumer loans and MSME lending—continued to drive asset growth, aided by NBFCs' deep penetration in Tier 2 / Tier 3 markets and underbanked regions.
- **Liability Profile:** The sector maintained a well-diversified liability mix, supported by access to bank borrowings, capital markets, and securitisation, thereby ensuring adequate liquidity and funding resilience.

NBFCs also continued to drive innovation in credit assessment models, fintech partnerships, and data-driven lending, enabling deeper financial inclusion, especially in rural and semi-urban markets. This growth, however, was accompanied by enhanced regulatory oversight, particularly in areas such as digital lending practices, governance standards, and customer protection, reinforcing the sector's long-term sustainability and stability.

NBFC's Credit to GDP Ratio

The credit growth of NBFCs which has trended above India's GDP growth historically, is expected to continue to rise at a faster pace. NBFCs have shown remarkable resilience and gained importance in the financial sector ecosystem, growing from less than Rs 2 trillion AUM at the turn of the century to Rs. 48 trillion at the end of FY25. During FY19 to FY25, NBFC credit is estimated to have witnessed a growth at CAGR of 13.2%. NBFCs AUM as of FY19 was approximately Rs. 23 trillion which has grown at a 6 year CAGR of 13.2% to Rs. 48 trillion as of FY25. Rapid revival in the economy is expected to drive consumer demand in FY26, leading to healthy growth in NBFCs

Exposure to NBFCs

Growth of NBFCs reflects the customer value proposition offered by them

Indian NBFC sector

Non-banking financial companies have become a structurally important part of India's credit system. Their assets under

management are projected to cross ₹50 Lakh Crores by FY 2026-27, by when non-bank lenders are expected to hold around 18 to 19% of overall credit.

Key growth drivers

Last-mile distribution

NBFCs reach customer segments and geographies that sit outside the operating focus of larger banks, small-ticket borrowers, self-employed households, and semi-urban and rural markets. That focus has converted into share gains, with NBFCs accounting for 41% of new personal loan disbursements by value in early 2026, against 27% two years earlier.

Digital underwriting on the India stack

Aadhaar authentication, electronic KYC and the Account Aggregator framework have cut onboarding costs and time across the sector. By end-December 2025, the Account Aggregator framework carried 2.61 billion financial accounts enabled for data sharing and 252.9 million users with MUFG ed accounts, letting NBFCs run cash-flow-based credit decisions at scale without manual document collection.

Co-lending and partnerships

Bank-NBFC co-lending matured further through the year, freeing balance sheet capacity at NBFCs while giving banks structured access to NBFC origination and servicing depth in priority-sector and small-ticket lending.

Funding-cost stability

Liquidity support from the Reserve Bank through open market operations and forex swaps, together with the rate cycle, held the wholesale funding backdrop steady for highly-rated NBFCs through the year, a direct benefit to scale lenders carrying strong credit ratings.

SUBSIDIARY COMPANY:

As there are no subsidiaries of the Company, Investment made in Subsidiaries is NIL.

SEGMENT-WISE PERFORMANCE:

The Company operates in single reported segment with main business of Finance and Share Trading activity.

RISKS AND CONCERNS:

- a) Credit Risk: Credit risk is basically the risk of loss due to the failure of a borrower/counterpart to meet the contractual obligation of repaying his debt. The risk could be on account of some erroneous sourcing done by the Company or because the customer might be facing some issues which do not permit him to make the repayment even if he wanted to.

Measures: Before sanctioning loans, the Company performs a thorough background check of the potential customers, to avoid any chances of fraud and default. The checks include field investigation, credit checks and tele-verification. Implementation of multistep Customer verification, Hygiene Dashboard, Early Warning System, PD-LGD Models, Portfolio management etc. can be measures to mitigate credit risk.

- b) Operational Risk: Operational risks are those which arise as a result of incompetent or failed internal processes, people and

systems or from external events.

Measures: The constant skill development and training programs form the core of the employees' training programmes. In line with the Company's objective to automate the processes thereby minimizing errors and strengthening the due diligence mechanisms, the Company undertakes digitalization initiatives at par with best of industry standards. The Company has CRMC, ORMC, OVRMC, PPAC committees to have checks on policies and to correct loopholes. Document Movement, Storage and Retrieval, Non-Compliance Reporting Policy, Internal

audits, Technology Infrastructure etc. are other measures to control operational risk.

- c) **Compliance Risk:** Risk potential on account of changes in laws, regulations or interpretations that cause business losses.

Measures: Compliance Risk mitigation is the process of developing and implementing controls such as standards, policies, procedures and guidelines to prevent or minimize compliance risks. The Company's operations would be affected by any changes in the regulatory environment. The process of mitigation includes Circulation of compliance checklist, Audit committee and Board reviews on status of compliance, proactively monitoring and identifying new and changes in relevant laws, regulations, circulars, notifications, etc. reviewing of compliance policies, resolution of conflicts between policies and statutory enactments and/or regulations from time to time.

- d) **Reputation Risk:** Reputation Risk is the risk to earnings and capital arising from adverse perception of the image of the company, on the part of customers, counterparties, shareholders, investors and regulators.

Measures: Strict adherence to the Fair Practice Code, a well-defined Grievance Redressal Mechanism, good customer connects, and Delinquency Management helps to mitigate the reputational risk.

- e) **Strategic Risk:** Strategic Risk is the risk to earnings and capital arising from lack of responsiveness to changes in the business environment and/or adverse business decisions, besides adoption of wrong strategies and choices.

Measures: Major Factors which cover in monitoring strategic risk are the changes in its competitive environment, Regulatory environment, Technology changes, Product profiling, Business planning and Strategic Planning. The factors mentioned above include how well the company is adapting to new technology, pace of product diversification, pace of adapting to regulatory changes, resilience to competitor's changes, smooth budget allocation, governance, and involvement of the Board.

- f) **Liquidity Risk:** Liquidity Risk arises largely due to maturity mismatch associated with assets and liabilities of the Company. Liquidity risk stems from the inability of the Company to fund increase in assets, manage unplanned changes in funding sources and meet financial commitments when required.

Measures: A well-defined contingency funding plan, maintaining a portfolio of high-quality liquid assets, employing rigorous cash flow forecasting, and ensuring diversified funding sources to mitigate liquidity risk

Other Risks Climate change risk, Political risk, Environment, Social and Governance Risk, Vendor Management Risk etc. are few other risks which affect a financial institution.

Measures: Various risk assessments and stress testing forecast the effect that may occur during such adverse conditions, hence proper planning and implementation mitigate such risks to an extent.

Independent auditor's report

To
The Members of
Indian Infotech and Software Limited
Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Indian Infotech and Software Limited, ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year ended and notes to the financial statement, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the profit & Loss statement, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

Attention is invited to following notes of the Financial Statements:

Note No. 13 to the financial statements, in respect of Interest Income (taken on accrual basis) on Loans & Advances, external confirmations of the Interest balances are not available.

Due to non-availability of confirmation of balances, we are unable to quantify the impact, if any, arising from the confirmation of balances.

Note No. 6 to the financial statements, in respect of Loans & Advances and Unsecured Loans, external confirmations of the balances are not available. Due to non-availability of confirmation of balances, we are unable to quantify the impact, if any, arising from the confirmation of balances.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters that there is no reportable Key Audit Matter for the Period.

Other Matters

The Company has various litigations pending before various authorities, the outcome of which are material but not practicable for the Company to estimate the timings of cash outflows, as well as per Legal opinions obtained by the

Management of the Company, it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

Our report is not modified in respect of the above matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Director is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d. In our opinion, the aforesaid financial statements comply with the **(Ind-AS)** specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.

c) According to information and explanation given to us, the records examined by us and based on examination of the documents provided to us. The company has not borrowed any term loans during the year, hence reporting under sub-clause 3(ix)(c) of the Companies (Auditors Report) Order, 2020 is not applicable to the company.

d) On an overall examination of the financial statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the company, hence reporting under sub-clause 3(ix)(d) of the Companies (Auditors Report) Order, 2020 is not applicable to the company.

e) According to information and explanation given to us, the records examined by us and based on examination of the documents provided to us. The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries or joint ventures, hence sub-clause 3(ix)(e) of the Companies (Auditors Report) Order, 2020 is not applicable to the company.

f) According to information and explanation given to us, the records examined by us and based on examination of the documents provided to us. The company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint ventures. Hence reporting under sub-clause 3(ix)(f) of the Companies (Auditors Report) Order, 2020 is not applicable to the company.

- x. According to information and explanation given to us, the company has not raised any money by way of initial public offer / further public offer (including debt instruments) and not made any preferential allotment / private placement of shares / fully / partly / optionally convertible debentures during the year under review, hence reporting under clause 3(x) and sub-clause (a) and (b) of the Companies (Auditor's Report) Order, 2020 is not applicable to the Company.
- xi. According to information and explanation given to us, the records examined by us and based on examination of the documents provided to us. No fraud by the Company or any fraud on the Company has been noticed or reported and No whistle-blower complaints have been received during the year, hence Clause 3(xi) of the Companies (Auditors Report) Order, 2020 is not applicable to the company.
- According to information and explanation given to us and on the basis of verification of records, no report under sub section (12) of section 143 of the Companies Act has been filed by Auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government and hence no reporting is required under clause 3(xi)(b) of the Companies (Auditors Report) Order.
- xii. The Company is not a Nidhi Company and hence clause 3(xii) of the Companies (Auditors Report) Order 2020 is not applicable to the Company.
- xiii. In our opinion, the Company is in compliance with section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements, etc., as required by the applicable accounting standards.
- xiv. In our opinion and according to the information and explanations given to us, the Company has an internal audit system as required under section 138 of the Act which is commensurate with the size and nature of its business. We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- xv. In our opinion and based on our examination. The company has not entered into any non-cash transactions with its directors or persons connected with its directors, hence reporting under clause 3(xv) of the Companies (Auditors Report) Order, 2020 is not applicable to the company.
- xvi.
- According to information and explanation given to us, the records examined by us and based on examination of the documents provided to us. The company is a NBFC registered under section 45-IA of the reserve bank of India Act, 1934 and eligible to do business as a NBFC.
 - The Company has conducted the non-banking financial activities with a valid Certificate of Registration ('CoR') from the RBI as per the RBI Act. The Company has not conducted any housing finance activities and is not required to obtain CoR for such activities from the RBI.
 - The Company is not a Core Investment Company ('CIC') and hence reporting under paragraph 3(xvi)(c) of the Order is not applicable to the Company.
- xvii. On an examination of the Statement of Profit and Loss account, we are of the opinion that the Company has incurred cash losses during the current financial year of Rs. 667.05 Lakhs, hence reporting under clauses 3(xvii) of the Companies (Auditors Report) Order 2020 is applicable to the Company.
- xviii. There is no resignation of the previous statutory auditors during the year as per section 140 of company Act, 2013 Clause (3)(xviii) Companies (Auditors Report) Order 2020 is not applicable to the Company.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

- xx. According to the information and explanations given to us, although the Company fulfilled the criteria as specified under section 135(1) of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, however, in the absence of average net profits in the immediately three preceding years, there is no requirement for the Company to spend any amount under subsection (5) of section 135 of the Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.
- xxi. According to information & explanation given to us there is no group of companies, hence not required to report in Companies (Auditors Report) Order 2020.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of **INDIAN INFOTECH AND SOFTWARE LIMITED**,

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **INDIAN INFOTECH AND SOFTWARE LIMITED**, (“the Company”) as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls-over-Financial Reporting:-

A company’s internal financial control over financial is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO. 16: RISK MANAGEMENT FRAMEWORK
(a) Introduction

As a financial institution, Company is exposed to various types of risks namely credit risk, liquidity risk, market risks, operational risk, strategic risk (including emerging & external risks) and compliance & reputation risk. We have adopted a holistic and data driven enterprise level risk management approach which includes monitoring both internal and external indicators.

We as an organization periodically adjust our strategy in cognizance with industry risk dynamics and emergence of new challenges and opportunities.

The purpose of risk management is the creation and protection of value. Company's risk management framework has been laid down with long term sustainability and value creation keeping in mind:

- Build profitable and sustainable business with conservative risk management approach.
- Have risk management as an integral part of the organization's business strategy.
- Undertake businesses that are well understood and within acceptable risk appetite.
- Manage the risks proactively across the organization.
- Adopt best risk management practices with resultant shareholder value creation and increased stakeholder confidence.
- Develop a strong risk culture across the organization.

The risk management practices of Company are compliant with ISO 31000: 2018 which is the international standard for risk management that lays down principles, guidelines and framework for risk management in an organisation.

(b) Company's Risk Management Approach for handling various type of risks
i) Credit risk:

Credit risk is the risk of financial loss arising out of a customer or counterparty failing to meet their repayment obligations to the Company. The Company assesses the credit quality of all financial instruments that are subject to credit risk.

Classification of financial assets under various stages

The Company classifies its financial assets in three stages having the following characteristics:

Stage 1: unimpaired and without significant increase in credit risk since initial recognition;

Stage 2: a significant increase in credit risk since initial recognition on which a lifetime ECL is recognised;

Stage 3: objective evidence of impairment, and are therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognised.

Unless identified at an earlier stage, all financial assets are deemed to have suffered a significant increase in credit risk.

The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD) along with an adjustment considering forward macro economic conditions [for a detailed note for methodology of computation of ECL please refer to significant accounting policies note no 1(L) to the financial statements.

The table below summarises the gross carrying values and the associated allowances for expected credit loss (ECL) stage wise for loan portfolio:

Investments are reviewed for any fair valuation loss on periodically basis and necessary provision/fair valuation adjustments has been made based on the valuation carried by the management to the extent available sources, the management does not expect any investment counterparty to fail to meet its obligations.

Trade Receivable, Trade Payable, Short Term Borrowings and Short Term Loans and Advances balances are subject to confirmation and reconciliation

Ageing of Loans Given that were not impaired was as follows.

(Amount)

Carrying amount	31-03-2026	31-03-2025
Neither Past due nor impaired	30198.42	24090.44
Past due but not impaired	-	-
Past due more than 180 days	-	-
TOTAL	30198.42	24090.44

ii) Market Risk

Market risk is risk due to change in market prices – e.g. interest rates, equity prices, foreign exchange rates and credit spreads, but not relating to changes in the obligor's/issuer's credit standing and will affect the Company's income or the value of its holdings of financial instruments. The objective of the Company's market risk management is to manage and control market risk exposures within acceptable risk tolerances levels to ensure the solvency and minimum volatility while optimising the balance between profitability and managing associated risks.

Under Liquidity Risk Management (LRM) framework for the Company, ALCO sets up limits for each significant type of risk/aggregated risk with liquidity being a primary factor in determining the level of limits. The monitoring of risk limits defined as per ALM policy is done by ALCO on regular basis. The Company has Asset Liability Management (ALM) support Company prescribed by RBI which meets on regular basis to ensure internal controls and reviews the liquidity risk management of the Company.

iii) Operational Risk

Operational Risk has been defined as "The risk of loss resulting from inadequate or failed internal processes, people and systems or from external events "The risk of direct or indirect potential loss arising from a wide variety of causes associated with the Company's processes, personnel, systems, or from external factors other than strategic and reputation risk Management of operational risk forms an integral part of Company's enterprise wide risk management systems. The organisation thrives towards incremental improvements to its operational risk management framework to address the dynamic industry landscape. Clear strategies and oversight by the Board of Directors and senior management, a strong operational risk management culture, effective internal control and reporting and contingency planning are crucial elements of Company's operational risk management framework.

iv) Regulatory and Compliance Risk

Regulatory compliances are handled by Finance team, Treasury and Business teams in consultation with Company Compliance team. Statutory compliances are handled by Company Secretarial team, Administrative and people process related compliances are handled by Administration & HR departments.

Additionally, Risk team coordinates for Special Mention Accounts (SMA) and Fraud reporting in line with regulatory guidelines.

As per regulatory requirements, required policies are adopted, modified and rolled from time to time. Compliance to the defined policies is strictly adhered to.

(c) Liquidity Risk management

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding to meet obligations when due. Due to the dynamic nature of the underlying businesses, Company's treasury maintains flexibility in funding by maintaining sufficient cash and bank balances available to meet the working capital requirements. Management monitors rolling forecasts of the Company's liquidity position (comprising the unused cash and bank balances along with liquid investments) on the basis of expected cash flows. This is generally carried out at Company level in accordance with practice and limits set by the Company. These limits vary to take into account the liquidity of the market in which the Company operates.

Q) Capital Management

The company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets.

The management monitors the return on capital as well as the level of dividends to shareholders. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS:

Note No: 1

I) Corporate Information

M/s. Indian Infotech and Software Limited ("the Company") is a Systemically Important Non-Deposit Accepting Non-Banking Finance Company ("NBFC"), holding a Certificate of Registration from the Reserve Bank of India ("RBI") dated November 4, 2011. The Company is domiciled in India and incorporated under the Companies Act, 2013 and listed its equity share with BSE Limited.

II) Basis of Preparation

i) Compliance with Ind AS

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (IND AS) as per the Companies (Indian Accounting Standards) Rules, 2015, as amended by the Companies (Indian Accounting Standards) Rules, 2016, notified under Section 133 of the Companies Act, 2013 (the "Act") (as amended), other relevant provisions of the Act, guidelines issued by the Reserve Bank of India as applicable to an NBFCs and other accounting principles generally accepted in India. Any application guidance/clarifications/directions issued by RBI or other regulators are implemented as and when they are issued / applicable, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment. Accounting policies have been consistently applied except where a newly issued Ind AS is initially adopted or a revision to an existing Ind AS required a change in the accounting policy hitherto in use. The financial statements were authorised for issue by the Board of Directors (BOD) on May 30, 2026.

ii) Presentation of Financial Statements

The Balance Sheet, Statement of Profit and Loss and Statement of Changes in Equity are prepared and presented in the format prescribed in the Division III of Schedule III of the Companies Act, 2013 (the 'Act'). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS.

A summary of the significant accounting policies and other explanatory information is in accordance with the Companies (Indian Accounting Standards) Rules, 2015 as specified under Section 133 of the Companies Act, 2013 (the 'Act') including applicable Indian Accounting Standards (Ind AS) and accounting principles generally accepted in India.

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis.

III) Summary of significant accounting policies

A. Use of estimates

The preparation of the financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates. The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

Actual results may differ from these estimates under different assumptions and conditions. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised, and future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements.

B. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue

can be reliably measured.

Interest

Interest consists of consideration for the time value of money, for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as a profit margin.

Interest income is recognised using the effective interest method. The effective interest rate (EIR) is the rate that exactly discounts estimated future cash flows through the expected life of the financial instrument to the gross carrying amount of the financial asset.

Calculation of the EIR includes all fees received that are incremental and directly attributable to the acquisition of a financial asset.

Interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets the interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets {i.e. at the amortised cost of the financial asset after adjusting for any expected credit loss allowance

(ECLs)}. The Company assesses the collectability of the interest on credit impaired assets at each reporting date. Based on the outcome of such assessment, the interest income accrued on credit impaired financial assets are either accounted for as income or written off as per the write off policy of the Company.

Dividend

Income from dividend on investment in equity shares and preference share of corporate bodies and units of mutual funds is accounted when the Company's right to receive dividend is established and it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably. Dividend income on financial assets measured at fair value through profit and loss is presented under Dividend income and not as a part of Net gains/(losses) on fair value changes.

C. Property, Plant and Equipment

a) PPE

PPE acquired by the Company are reported at acquisition cost less accumulated depreciation and accumulated impairment losses, if any. Estimated cost of dismantling and removing the item and restoring the site on which it's located does not arise for owned assets, for leased assets the same are borne by the lessee as per the lease agreement. The acquisition cost includes any cost attributable for bringing an asset to its working condition net of tax/duty credits availed, which comprises of purchase consideration and other directly attributable costs of bringing the assets to their working condition for their intended use. PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Subsequent expenditure on PPE after its purchase is capitalized only if it is probable that the future economic benefits will flow to the enterprise and the cost of the item can be measured reliably.

b) Capital work-in-progress

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work-in-progress" and carried at cost, comprising direct cost, related incidental expenses and Attributable interest.

c) Other Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortization and cumulative impairment. Administrative and other general overhead expenses that are specifically attributable to the acquisition of intangible assets are allocated and capitalized as a part of the cost of the intangible assets. Expenses on software support and maintenance are charged to the Statement of Profit and Loss during the year in which such costs are incurred.

d) Intangible assets under development

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under

development”.

e) Depreciation and Amortization

Depreciable amount for tangible property, plant and equipment is the cost of an asset, or other amount substituted for cost, less its estimated residual value. The residual value of each asset given on Operating lease is determined at the time of recording of the lease asset. If the residual value of the Operating lease asset is higher than 5%, the Company has a justification in place for considering the same.

Depreciation on tangible property, plant and equipment deployed for own use has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of buildings, computer equipment, electrical installation and equipment and vehicles, in whose case the life of the assets has been assessed based on the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, etc.

Depreciation on tangible property, plant and equipment deployed on operating lease has been provided on the straight-line method over the primary lease period of the asset. Depreciation method is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end with the effect of any change in the estimates of useful life/residual value is accounted on prospective basis. Depreciation for additions to/deductions from owned assets is calculated pro rata to the remaining period of use. Depreciation charge for impaired assets is adjusted in future periods in such a manner that the revised carrying amount of the asset is allocated over its remaining useful life. All capital assets with individual value less than Rs. 5,000 are depreciated fully in the year in which they are purchased. Purchased software / licenses are amortised over the estimated useful life during which the benefits are expected to accrue, while Goodwill if any is tested for impairment at each Balance Sheet date. The method of amortization and useful life are reviewed at the end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis. Amortization on impaired assets is provided by adjusting the amortization charge in the remaining periods to allocate the asset's revised carrying amount over its remaining useful life.

Estimated useful life considered by the Company are:

Asset	Estimated Useful Life
Leasehold Improvements	As per lease period
Construction Equipment	2 to 13.5 years
Furniture and Fixtures	Owned: 10 years
Computer Equipment	Owned: 3 to 4 years
Office Equipment	Owned: 5 years
Vehicles	Owned: 4 years
Buildings	Owned: 1 to 10 years
Plant & Machinery	25 years
Software Licenses	Owned: 10 years

In case of leased assets, useful life is considered as per the lease period.

f) Investment property

Properties held to earn rentals and/or capital appreciation are classified as Investment properties and measured and reported at cost, including transaction costs. Subsequent to initial recognition it's measured at cost less accumulated depreciation and accumulated impairment losses, if any. When the use of an existing property changes from owner-occupied to investment property, the property is reclassified as investment property at its carrying amount on the date of reclassification.

An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on de-recognition of property is recognized in the Statement of Profit and Loss in the same period.

g) Impairment of assets

Upon an observed trigger or at the end of each accounting reporting period, the Company reviews the carrying amounts of its PPE, investment property and intangible asset to determine whether there is any indication that the asset have suffered an impairment loss. If such indication exists, the PPE, investment property and intangible assets are tested for impairment so as to determine the impairment loss, if any.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is

the higher of fair value less cost of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If recoverable amount of an asset is estimated to be less than its carrying amount, such deficit is recognised immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss is recognised for the asset in prior years. A reversal of an impairment loss is recognized immediately in the Statement of Profit and Loss.

h) De-recognition of property, plant and equipment and intangible asset

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss. An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the Statement of Profit and Loss.

D. Inventories

Inventories are valued at lower of cost and net realizable value. However, materials and other items held for use in production of inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost.

In determining the cost of raw materials, packing materials, stock-in-trade, stores, spares, FIFO cost method is used. Cost of inventory comprises of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition.

Cost of finished goods and work-in-progress includes the cost of raw materials, packing materials, an appropriate share of fixed and variable production overheads, excise duty as applicable and other costs incurred in bringing the inventories to their present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of Completion and estimated costs necessary to make the sale.

E. Investment:

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Non-current investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

Transition to Ind AS

The Company has elected to measure its investments in subsidiaries at its previous GAAP carrying values which shall be the deemed cost as at the date of transition.

F. Foreign currency transaction

Transactions in currencies other than the Company's functional currency are recorded on initial recognition using the exchange rate at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the rates prevailing at the year end. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated.

Functional currency of the Company and foreign operations has been determined based on the primary economic environment in which the Company and its foreign operations operate considering the currency in which funds are generated, spent and retained.

Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are recognised in the Statement of Profit and Loss in the period in which they arise.

G. Leases

Asset given on lease:

Leases are classified as operating lease where significant portion of risks and reward of ownership of assets acquired under lease is retained by the lessor. Leases of assets under which substantially all of the risks and rewards of ownership are effectively retained by the lessee are classified as finance lease.

Assets given under finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease rentals are apportioned between principal and interest on the internal rate of return. The principal amount received reduces the net investment in the lease and interest is recognised as revenue.

Lease rental - under operating leases (excluding amount for services such as insurance and maintenance) are recognised on a straight-line basis over the lease term, except for increase in line with expected inflationary cost increases.

Asset taken on lease:

The Company presents right-of-use assets and lease liabilities separately on the face of the Balance sheet. Lease payments (including interest) have been classified as financing cashflows. The Company recognizes a right-of-use asset and a lease liability at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use asset is subsequently measured at cost less any accumulated depreciation and accumulated impairment loss, if any, and adjusted for certain re-measurements of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date to the end of the lease term. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognized in the statement of profit and loss. When a right-of-use asset meets the definition of investment property, it is presented in investment property.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

The lease liability is subsequently increased by the interest cost on the lease liability and decreased by lease payment made. The carrying amount of lease liability is remeasured to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. A change in the estimate of the amount expected to be payable under a residual value guarantee, or as appropriate, changes in the assessment of whether a purchase or extension option is reasonably certain to be exercised or a termination option is reasonably certain not to be exercised.

The Company has applied judgement to determine the lease term for some lease contracts in which it is a lessee that include renewal options. The assessment of whether the Company is reasonably certain to exercise such options impacts the lease term, which significantly affects the amount of lease liabilities and right of use assets recognized. The discounted rate is generally based on incremental borrowing rate specific to the lease being evaluated.

H. Income Tax

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Income taxes reflect the impact of timing differences between taxable income and accounting Income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they

can be realized against future taxable profits.

At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period. I.e. the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

I. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

(i) Classification

The Company classifies its financial assets in the following measurement categories: those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortized cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income.

For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through the Statement of Profit and Loss profit or loss are expensed in the Statement of Profit and Loss.

For subsequent measurement, the Company classifies a financial asset in accordance with the below criteria:

- i) The Company's business model for managing the Financial Asset, and
- ii) The contractual cash flow characteristics of the Financial Asset.

Based on the above criteria, there are three measurement categories into which the Company classifies its Financial Assets:

Amortized cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized

cost and is not part of a hedging relationship is recognized in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through other comprehensive income (FVTOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVTOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other expenses or other incomes, as applicable. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit and loss:

Assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in profit or loss and presented net in the statement of profit and loss within other expenses or other incomes, as applicable in the period in which it arises. Interest income from these financial assets is included in other income.

(iii) Impairment of financial assets

The Company assesses on a forward-looking basis the expected credit losses (ECL) associated with its assets carried at amortized cost or FVTOCI. The impairment methodology applied on the above assets depends on whether there has been a significant increase in credit risk.

For trade receivables and lease receivables, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, wherein an amount equal to lifetime ECL is measured and recognized as loss allowance.

(iv) Derecognition of financial assets

A financial asset (or, where applicable, a part of financial assets or part of a group of similar financial assets) is derecognized (i.e. removed from the Company's balance sheet) when any of the following occurs:

- i. The contractual rights to cash flow from the financial assets expires,
- ii. The Company transfers its contractual rights to receive cash flows of the financial assets and has substantially transferred all the risk and reward of ownership of the financial assets,
- iii. The Company retains the contractual rights to receive cash flow but assumes a contractual obligation to pay the cash flow without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risk and reward of ownership of the financial assets);
- iv. The Company neither transfer nor retains substantially all risk and reward of ownership and does not retain control over the financial assets.

In case where Company has neither transferred nor retained substantially all of the risks and rewards of the financial assets but retains control of the financial assets. The Company continues to recognize such financial assets to the extent of its continuing involvements in the financial assets. In that case, the company also recognizes an associated liability. The Financial asset and the associated liability are measured on that reflects the rights and obligations that the Company has retained.

On derecognition of a financial asset, (except as mentioned in ii above for financial assets measured at FVTOCI) the difference between the carrying amount and the consideration received is recognized in the statements of Profit and Loss.

Financial liabilities

(i) Measurement:

Financial liabilities are initially recognized at fair value, reduced by transaction costs (in case of financial liability not at fair value through profit or loss), that are directly attributable to the issue of financial liability. After initial recognition, financial liabilities are measured at amortized cost using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash outflow (including all fees paid, transaction cost, and other premiums or discounts) through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial

recognition. At the time of initial recognition, there is no financial liability irrevocably designated as measured at fair value through profit or loss.

(ii) Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

Derivative Financial Instrument

The Company holds derivative financial instruments to hedge its foreign currency and interest rate risk exposures. Embedded derivatives are separated from the host contract and accounted for separately if certain criteria are met.

Derivatives are initially recognised at fair value at the date a derivative contract is entered into and are subsequently remeasured to their fair value at each balance sheet date. The resulting gain/loss is recognised in the statement of profit and loss immediately unless the derivative is designated and is effective as a hedging instrument, in which event the timing of the recognition in the statement of profit and loss depends on the nature of the hedge relationship.

The Company designates certain derivatives as hedging instruments to hedge the variability in cash flows associated with its floating rate borrowings arising from changes in interest rates and Exchange rates.

At inception of designated hedging relationships, the Company documents the risk management objective and strategy for undertaking the hedge. The Company also documents the economic relationship between the hedged item and the hedging instrument, including whether the changes in cash flows of the hedged item and hedging instrument are expected to offset each other.

Cash flow hedges

When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognised in OCI and accumulated in the other equity under 'effective portion of cash flows hedges'. The effective portion of changes in the fair value of the derivative that is recognised in OCI is limited to the cumulative change in fair value of the hedged item, determined on a present value basis, from inception of the hedge. Any ineffective portion of changes in fair value of the derivative is recognised immediately in profit or loss.

The Company designates only the change in fair value of the spot element of forward exchange contracts as the hedging instrument in cash flow hedge relationships. The change in fair value of the forward element of the forward exchange contracts ('forward points') is separately accounted for as cost of hedging and recognised separately within equity.

If a hedge no longer meets the criteria for hedge accounting or the hedging instrument is sold, expires, is terminated or is exercised, then hedge accounting is discontinued prospectively. If the hedged future cash flows are no longer expected to occur, then the amounts that have been accumulated in other equity are immediately reclassified to profit or loss.

Cash, Cash equivalents and bank balances

Cash, Cash equivalents and bank balances include fixed deposits, (with an original maturity of three months or less from the date of placement), margin money deposits, and earmarked balances with banks are carried at amortized cost. Short term and liquid investments which are not subject to more than insignificant risk of change in value, are included as part of cash and cash equivalents.

J. Segment Reporting

The Company's main business is financing by way of loans for retail and corporate borrowers in India. The Company's operating segments consist of one segment i.e., "Financing Activity". All other activities of the Company revolve around the

main businesses. This in the context of Ind AS 108 – operating segments reporting are considered to constitute reportable segment. The Chief Operating Decision Maker (CODM) of the Company is the Managing Director along with the Board of Directors in the operating segment. Operating segment disclosures are consistent with the information reviewed by the CODM.

An operating segment is a component of the company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the company's other components, and for which discrete financial information is available. Accordingly, all operating segment's operating results of the Company are reviewed regularly by the Board of Directors to make decisions about resources to be allocated to the segments and assess their performance.

K. Provisions, Contingent Liabilities and Contingent Assets

Provisions

Provisions are recognised when The Holding Company has a present obligation (legal or constructive) as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. When the effect of the time value of money is material, The Holding Company determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting the current rates specific to the liability. The expense relating to any provision is presented in the Statement of Profit and Loss net of any reimbursement.

Contingent assets/liabilities

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of The Holding Company or; present obligation that arises from past events where it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of the obligation cannot be measured with sufficient reliability are disclosed as contingent liability and not provided for. Contingent assets are disclosed where an inflow of economic benefits is probable. Contingent assets are not recognised in the financial statements.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

L. Borrowing Cost

Borrowing costs include interest expense calculated using the EIR on respective financial instruments measured at amortized cost, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to interest costs.

The effective interest rate (EIR) is the rate that exactly discounts estimated future cash flows through the expected life of the financial instrument to the gross carrying amount of the financial liability.

Calculation of the EIR includes all fees paid that are incremental and directly attributable to the issue of a financial liability.

While computing the capitalization rate for funds borrowed generally, an entity should exclude borrowing costs applicable to borrowings made specifically for obtaining a qualifying asset, only until the asset is ready for its intended use or sale. Borrowing costs (related to specific borrowings) that remain outstanding after the related qualifying asset is ready for intended use or for sale would

Subsequently be considered as part of the general borrowing costs of the entity.

M. Earnings per Share

Basic earnings per share have been computed by dividing net income attributable to ordinary equity holders by the weighted average number of shares outstanding during the year. Partly paid-up equity share is included as fully paid equivalent according to the fraction paid up.

Diluted earnings per share have been computed using the weighted average number of shares and dilutive potential shares, except where the result would be anti-dilutive.

N. Other comprehensive income Under Ind AS

All items of income and expense recognised in a period should be included in profit or loss for the period unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes re-measurements of defined benefit plans and fair value gains or (losses) on FVTOCI. The concept of other comprehensive income did not exist under previous GAAP.

S. Employee benefits

Defined Contribution benefits include superannuation fund.

Defined Employee benefits include gratuity fund, provident fund compensated absences and long service awards.

Defined contribution plans

The Company's contribution to superannuation fund is considered as defined contribution plan and is charged as an expense in the Statement of Profit and Loss based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans

For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. As per Ind AS 19, the service cost and the net interest cost are charged to the Statement of Profit and Loss. Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in Other Comprehensive Income. Past service cost is recognised immediately to the extent that the benefits are already vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the reporting period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

Other long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the year in which the employee renders the related service are recognized as a liability at the present value of the defined benefit obligation as at the balance sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. Long term service awards are recognized as a liability at the present value of the defined benefit obligation as at the balance sheet date.

The obligation is measured on the basis of actuarial valuation using projected unit credit method and remeasurements gains/losses are recognized in P&L in the period in which they arise.

Share based payment transaction

The stock options of the Company, granted to employees pursuant to the Company's Stock Options Schemes, are measured at the fair value of the options at the grant date as per Black and Scholes model. The fair value of the options is treated as discount and accounted as employee compensation cost, with a corresponding increase in other equity, over the vesting period on a straight-line basis. The amount recognised as expense in each year is arrived at based on the number of grants expected to vest. If a grant lapses after the vesting period, the cumulative discount recognised as expense, with a corresponding increase in other equity, in respect of such grant is transferred to the General reserve within other equity.

T. Events after reporting date

Where events occurring after the balance sheet provide evidence of condition that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

U. Non-Current Assets held for sale

Non-current assets are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset and the sale is highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets classified as held for sale are measured at lower of their carrying amount and fair value less costs to sell.

The Company has a policy to make impairment provision at one third of the value of the Asset for each year upon completion of three years up to the end of five years based on the past observed pattern of recoveries. Losses on initial classification as Held for sale and subsequent gains & losses on remeasurement are recognized in Statement of Profit and loss. Once classified as Held for sale, the assets are no longer amortized or depreciated.

V. Fair Value

The Company measure financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs)

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2- Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3- Inputs that are unobservable for the asset or liability.

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

W. Statement of Cash Flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in operating receivables and payables transactions of a non-cash nature,
- ii. non-cash items such as depreciation, Impairment, deferred taxes, unrealized foreign currency gains and losses, and undistributed profits of associates and joint ventures; and
- iii. all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

X. Recent Amendments

The following amendments to standards have been issued and will be effective from April 01, 2022. The Company is evaluating the requirements of these standards, improvements and amendments and has not yet determined the impact on the financial statements.

- i. Indian Accounting Standard (Ind AS) 103 – Business Combinations – Qualifications prescribed for recognition of the identifiable assets acquired and liabilities assumed, as part of applying the acquisition method – should meet the definition of assets and liabilities in the Conceptual Framework for Financial Reporting under Ind AS (Conceptual Framework) issued by the ICAI at the acquisition date. Modification to the exceptions to recognition principle relating to contingent liabilities and contingent assets acquired in a business combination at the acquisition date.
- ii. Indian Accounting Standard (Ind AS) 109 – Financial Instruments – Modification in accounting treatment of certain costs incurred on derecognition of financial liabilities.
- iii. Indian Accounting Standard (Ind AS) 16 - Property, Plant and Equipment – Modification in treatment of excess of net sale proceeds of items produced over the cost of testing as part of cost of an item of property, plant, and equipment.
- iv. Indian Accounting Standard (Ind AS) 37 - Provisions, Contingent Liabilities and Contingent Assets – Modifications in application of recognition and measurement principles relating to onerous contracts.
