JD Cables Limited Reports H1 FY27 Results

Total Income at ₹168 crore | EBITDA at ₹22 crore | Net Profit at ₹12 crore

Kolkata, West Bengal, November 14, 2026: JD Cables Limited, a manufacturer of cables and conductors for power transmission and distribution, has announced its unaudited financial results for the half year ended September 30, 2026.

H1 FY27 FINANCIAL HIGHLIGHTS

(₹ in Lakh, except margins)

Particulars	H1 FY27
Total Income	16,789.22
EBITDA	2,186.26
EBITDA Margin (%)	13.02%
Net Profit	1,229.39
Net Profit Margin (%)	7.32%

KEY DEVELOPMENTS

- Secured a **domestic work order of approximately ₹30.43 crore**, including GST, from reputed government and private entities for the manufacturing, testing, supply and delivery of cables and conductors, to be **executed within 3 months**
- The Company proposes to **raise up to ₹100 crore** through a Qualified Institutions Placement (QIP) and/or preferential issue, subject to requisite approvals
- Secured a **work order of approximately ₹18 crore** from reputed government and private entities for the manufacturing, testing, supply and delivery of cables and conductors
- Received a **domestic work order of approximately ₹12 crore**, including GST, from a reputed private entity, to be executed within four months
- Acquired an **industrial facility of approximately 1.18 lakh sq. ft. at Dankuni, West Bengal**, to strengthen the Company's manufacturing infrastructure
- Installed production capacity expanded by an additional **28,000 km per annum**, supporting the Company's ability to meet larger requirements

MANAGEMENT COMMENTARY

Commenting on the performance, **Mr. Piyush Garodia, Managing Director, JD Cables Limited**, said:

*"H1 FY27 has been a period of strong growth for JD Cables. Total Income rose **38.25%** year-on-year to **₹167.89 crore**, with EBITDA of **₹21.86 crore** and Net Profit of **₹12.29 crore**. We remain focused on improving our margins as we scale up operations.*

*During the period, we strengthened our manufacturing base with the acquisition of a **1.18 lakh sq. ft. facility at Dankuni** and added **28,000 km per annum** to our installed capacity. Order inflows remain healthy, including our latest domestic work order of approximately **₹30.43 crore** from reputed government and private entities.*

We are widening our portfolio to include MVCC, AL59, HTLS conductors and HT cables. With the proposed fundraise of up to ₹100 crore, we are well positioned to serve growing demand across power transmission and distribution networks."

BUSINESS OUTLOOK

- **Wider Product Portfolio:** The Company is expanding its offerings to include MVCC, AL59, HTLS conductors and HT cables, addressing a broader range of power transmission and distribution requirements.
- **Infrastructure Projects:** Alongside its cables and conductors business, the Company has expanded into infrastructure projects involving civil and electrical works.
- **Pan-India Reach:** The Company has a supply presence across more than 15 states, with vendor approvals from various State Electricity Boards.

ABOUT JD CABLES LIMITED

JD Cables Limited manufactures cables and aluminium conductors used in electricity transmission and distribution networks. Its portfolio includes power cables, control cables, aerial bunched cables, single-core service wires and a range of aluminium conductors.

The Company serves power utilities and infrastructure projects, with a supply presence across more than 15 states and vendor approvals from various State Electricity Boards. Supported by manufacturing facilities in West Bengal, modern machinery and in-house testing laboratories, the Company is expanding its production capabilities and product range, and has also expanded into infrastructure projects involving civil and electrical works.
