ANNEXURE-I

ASMS Crosses ₹100 Crore Revenue Mark in FY26; PAT Surges Over 240%

Achieves Positive Net Worth as Multi-Vertical Growth Strategy Gains Momentum Across Financial Inclusion, Agritech and Healthcare

National, 2nd June, 2026: Avio Smart Market Stack Limited (Formerly Known as Bartronics India Limited) announced its audited financial results for the financial year ended March 31, 2026, reporting strong growth across revenue, profitability and business expansion initiatives.

The Company reported Revenue from Operations of ₹103.96 crore in FY26, up from ₹40.04 crore in FY25, representing a year-on-year growth of approximately 160%. Profit After Tax (PAT) stood at ₹5.94 crore, up from ₹1.75 crore in FY25, reflecting a growth of over 240%.

ASMS also achieved a positive net worth during FY26, marking a significant milestone in the Company's ongoing transformation journey and strengthening of its financial position.

The strong performance was driven by the continued expansion of the Company's operating platforms, diversification across key business verticals, strengthening ecosystem partnerships and focused execution of its long-term growth strategy.

FY26 marked a pivotal year for ASMS as the Company continued to evolve into a diversified platform spanning **Financial Inclusion & Digital Services, Agri Supply Chain & Technologies, and Diagnostics & Healthcare.**

Among its operating segments, the **Agri Supply Chain & Technologies vertical emerged as the Company's largest revenue contributor during FY26, accounting for approximately 58% of total revenue. The growth reflects ASMS' expanding footprint across the agricultural value chain and the successful scale-up of its agritech initiatives.**

The Company also continued to strengthen its **Diagnostics & Healthcare business** through strategic investments and ecosystem partnerships. As part of this effort, ASMS further expanded its association with **Huwel Lifesciences, a Hyderabad-based molecular diagnostics company focused on indigenous diagnostic technologies and healthcare solutions.**

Commenting on the performance, **Mr Nandaluru Vidhya Sagar Reddy, Managing Director, Avio Smart Market Stack Limited**, said: "FY26 represents a defining year in the Company's growth journey. Crossing the ₹100 crore revenue milestone, delivering strong profitability growth and achieving a positive net worth are important outcomes of the strategic direction we have pursued over the last few years. We have continued to strengthen our position in Financial Inclusion, built meaningful scale in Agritech and laid important foundations in Diagnostics & Healthcare. As we enter FY27, our focus remains firmly on execution, scale and creating sustainable long-term value for all stakeholders."

AVIO SMART MARKET STACK LIMITED

(Formerly known as Bartronics India Limited)

Looking ahead, ASMS plans further to scale its Agri Supply Chain & Technologies platform, expand its Diagnostics & Healthcare initiatives, strengthen its Financial Inclusion & Digital Services business and pursue strategic growth opportunities across its operating sectors.

With a stronger operational and financial foundation established during FY26, the Company enters FY27 with a clear focus on accelerating growth across its core business verticals.
