EXPLANATORY STATEMENT

Pursuant to Section 102 of the Companies Act, 2013

Item No. 1: Approval for Issuance of Non-Convertible Debentures on a Private Placement Basis

The Company may, from time to time, require funds for capital expenditure, refinancing or repayment of existing borrowings, working capital requirements, investments in its subsidiaries and businesses, strategic initiatives, acquisitions and other general corporate purposes. To maintain flexibility in meeting such requirements and to access the debt capital markets in a timely and efficient manner, the Company proposes to obtain an enabling authority for issuance of non-convertible debentures ("NCDs") on a private placement basis.

The Members of the Company, through postal ballot on September 9, 2014, approved an overall borrowing limit of ₹5,000 crore under Section 180(1)(c) of the Companies Act, 2013 ("Act"). By a separate Special Resolution passed on the same date, the Members also approved creation of mortgage(s) and/or charge(s) up to ₹5,000 crore under Section 180(1)(a) of the Act.

The aforesaid overall borrowing limit and security-creation authority continue to remain unchanged. The proposed Special Resolution does not seek any increase in or modification of either authority. All NCDs issued pursuant to the proposed Resolution will remain within the overall borrowing limits approved by the Members of the Company from time to time.

The Board of Directors of the Company ("Board"), at its meeting held on October 12, 2026, approved, subject to approval of the Members, the proposal to obtain an enabling authority for issuance of secured and/or unsecured, listed, rated, redeemable NCDs, in one or more series or tranches, on a private placement basis, for an aggregate principal amount not exceeding ₹2,500 crore, during a period of one year from the date of passing of the proposed Special Resolution.

The one-year period relates to the period during which the Company may make offers or invitations under the proposed authority. It does not restrict the tenure of NCDs issued pursuant thereto, which may extend beyond such period in accordance with their respective terms.

The proposed approval is enabling in nature and does not oblige the Company to raise the entire amount of ₹2,500 crore. The actual amount, timing, structure and commercial terms of each issuance will be determined by the Board having regard to the Company's funding requirements, leverage and debt-servicing profile, prevailing market conditions and applicable regulatory requirements. It may further be noted that the Company has not defaulted on any of its current debt obligations.
