## TVS MOTOR COMPANY LAUNCHES NEPAL'S FIRST 150CC HYPER SPORT SCOOTER TVS NTORQ 150

- *Segment-leading acceleration: 0-60 km/h in 6.3 seconds*
- *Available in three colour options - Stealth Silver, Racing Red, and Turbo Blue, at an introductory price of Rupees 3,69,900.*
- *50+ connected features including navigation*
- *Inspired by stealth aircraft, the scooter embodies futuristic and sporty design*

**Singapore/Kathmandu, September 26, 2026:** TVS Motor Company (TVSM), part of TVS VENU, and a reputed global manufacturer of two and three-wheelers, today announced the launch of the **TVS NTORQ 150, Nepal's 1<sup>st</sup> Hyper Sport Scooter**. Powered by a **149.7cc** race-tuned engine and inspired by **stealth aircraft design**, the TVS scooter brings together high performance, sporty aesthetics and cutting-edge technology to cater to a new generation of riders. The launch event, held in Naxal, Kathmandu, brought together the Jagdamba Motors Team, TVS Motor Team, leading automotive media, influencers, dealers, and key stakeholders, offering them an opportunity to experience the **Hyper** performance, advanced technology, and features firsthand.

Building on the legacy of the TVS NTORQ brand and its reputation for evoking awe, the new TVS NTORQ 150 is designed to be an icon of tomorrow. Its MULTIPOINT® projector headlamps, aerodynamic winglets, coloured alloy wheels and signature muffler note highlight its racing DNA. With 50+ smart features, the scooter brings an advanced connected experience to riders in Nepal.

Speaking about the launch, **Mr. Peyman Kargar, President – International Business, TVS Motor Company**, said, *“At TVS Motor Company, we remain committed to bringing innovative, customer-focused products to markets around the world. Nepal continues to be a strategically important market for TVSM, driven by a young, vibrant and growing community of riders.*

*The TVS NTORQ 150 brings together race-tuned performance, futuristic design, advanced connectivity and first-in-segment safety and control features, reflecting our commitment to delivering world-class mobility solutions to our customers across the world.”*

### **First-in-Segment Features**

- Acceleration (0-60 kmph)- 6.3 seconds
- ABS & Traction control System
- MULTIPOINT® Projector Headlamps
- Stylish Front Combination Lamps
- Race & Street Mode
- iGo Assist
  - ISS – Street Mode
  - Boost – Race Mode
- Signature muffler note
- Naked Handlebar
- Aerodynamic Winglets
- 50+ connected features

# PRESS RELEASE

*"The launch of the TVS NTORQ 150 in Nepal marks an exciting new chapter for the NTORQ brand and for performance-focused scooter enthusiasts in the country. Its hyper sport character, race-tuned performance, advanced technology and distinctive design deliver an experience that reflects our commitment to bringing global innovations from TVS Motor Company to customers in Nepal. We are excited to see the enthusiasm this motorcycle generates among riders across the country," added Mr. Shahil Agrawal, Managing Director, Jagdamba Motors Pvt. Ltd.*

## **PERFORMANCE**

The TVS NTORQ 150 is powered by a **149.7cc, air-cooled, O3CTech** engine that delivers **13.2 PS at 7,000 rpm** and **14.2 Nm torque at 5,500 rpm**. Accelerating from **0–60 km/h in just 6.3 seconds** and reaching a top speed of **104 km/h**, it stands as the quickest scooter in its class.

## **SPORTY & FUTURISTIC DESIGN**

Inspired by **stealth aircraft**, the TVS NTORQ 150 features **MULTIPOINT® projector headlamps**, **sporty tail lamps**, **aerodynamic winglets**, a stubby muffler with signature sound, naked handlebar, and coloured alloy wheels.

- **Forward-biased stance** with aggressive, predatory launch-ready poise.
- **Arrowhead front form** sculpted for aerodynamic efficiency and visual speed.
- **Naked motorcycle-style handlebar**, enhancing rider control and delivers a raw, connected feel.
- **Jet-inspired vents and integrated winglets**, reinforcing its race-bred identity.
- **MULTIPOINT® projector headlamps** offering superior illumination.
- **Signature 'T' tail lamp**, distinct and designed for enhanced visibility.
- **Sport-tuned suspension**, lightweight alloys, and a performance exhaust that visually and functionally anchor its sporty character.

## **TECH-PACKED FOR THE NEW-AGE RIDER**

Equipped with TVS SmartXonnect™, the TVS NTORQ 150 offers 50+ connected features including turn-by-turn navigation, last parked location, call/message and ride modes, they bring an advanced connected interface designed around the needs of today's riders.

## **SAFETY & COMFORT**

The scooter ensures rider confidence with **Single Chancel ABS and traction control** (first-in-segment), hazard lamps and follow-me headlamps. Comfort is enhanced through telescopic suspension, adjustable brake levers, a patented E-Z center stand, and 22L under-seat storage.

The TVS NTORQ 150 is now available across Jagdamba Motors dealerships in Nepal in three colour options - **Stealth Silver, Racing Red, and Turbo Blue**, at an introductory price of Rupees **3,69,900**.
